

Shawn is amazing! I am so grateful to be able to work with Shawn in the real estate realm. Not only does he take amazing photos- he is able to do 3D tours and floor plans which has proven to be SO valuable especially during the pandemic. Shawn is truly a professional. Quick to respond and schedule shoots and his turnaround time is unbeatable. I HIGHLY recommend SP Photography for any photography and videography needs!

we met Shawn at a wedding we did last weekend as nd worked with him as another vendor. he was fantastic to work with! very courteous and fun and was working hard to capture awesome moments the entire night. I would highly recommend him for other weddings and we hope to work with him again!!!

Shawn and Nathan did an amazing job shooting our wedding! From the minute they came while myself and my girls were getting ready they were absolutely outstanding! They were there all day, but it didn't feel that way because they were never in your face with a camera, but our video came out perfect! We can't thank you enough for all you did for our wedding!! If your looking for a videographer for any event, I strongly recommend Shawn Pacheco! Thank you again !

Words can't even begin to describe how amazing of an experience we had working with Shawn for our wedding. From the second we met with him, we instantly knew he was the one we wanted to hire. His level of professionalism, passion, and personality matched up with exactly what we were looking for. You can tell he absolutely loves what he does and the amount of detail that he puts into everything really shows. I could keep going on and on about him, but I'll keep it short and sweet. You will not be disappointed in hiring Shawn. He honestly was one of the best decisions we made for our whole wedding! Thank you so much again for everything!

Shawn is seriously on another level! He blew away every single expectation that I had about a videographer! He was extremely thorough and was there to capture all the important moments. He even made the video extra special with including the drones and getting a very different perspective on our wedding day. I have seen

a lot of other wedding videos and I still haven't seen anything close to the quality that Shawn produced. You can tell that he really enjoys what he does and you can clearly see it in the final product. I would 110% hire Shawn for any future events or video needs. Definitely top notch. Thanks again Shawn!!!!
