

Summer 2024 Newsletter

Hello!

We hope you had a good Easter break, as the weather is getting warmer, please can you:

- Open-toed sandals, crocks and flip flops are **not** appropriate footwear for outdoor play & our insurance company will not cover any accidents if children are wearing them.
- Ensure that your child has a jumper or cardigan to put on, the weather is still very changeable at the moment.
- Ensure there is a change of clothes in the bag as accidents do happen & we will be engaging in a lot of water play this term.
- apply sunscreen before coming to pre-school & send some in to be topped up later in the day.
- Send your child in a sun hat, preferably one that covers the back of the neck.

Transition Days

If your child is Starting School in September, please could you let us know which school you have been allocated so that we can start to liaise with their new teachers. Also, please could you let me know when their transition days are, this allows us to talk to your child about them before they go.

You can also upload your own activities to Tapestry.
