

# ELEVATED EVENT PACKAGE

For over a decade, L.E.N has provided genuine luxury products, impactful presentations, and an elevated personal touch for the participants of the finest clubs, corporations and events worldwide. From the product to presentation, every detail is addressed, creating fond memories and a wonderful overall experience

# SERVICES PROVIDED

## **Before the Event:**

L.E.N. associates will assist in selecting the correct items, leather, and styling options that speak best to your specific event.

Our associates will be on location prior to the event to set up the presentation.

## **During the Event:**

We will measure each participant and custom-fit the belt to their exact specifications on-site.

We will then present the favors to the participants in a customized belt bag.

We will record the participant's sizes with the needed information to extend the customized services to your members and guests for future needs.

## **Customize the Event:**

In addition to custom fitting the belts, L.E.N. will add the perfect touch to an already special gift by presenting the favors in a complimentary customized belt bag with the desired logo.

## **Option to Upgrade:**

L.E.N. will showcase its full collection of exotic belts and leather goods for all participants to enjoy. Furthermore, participants have the option to upgrade their selection to an exotic belt or leather goods item. The greatest advantage of this is that every participant walks away with exactly what they desire.

# TESTIMONIALS

DON'T JUST TAKE OUR WORD, HEAR WHAT OTHERS ARE SAYING...

"L.E.N Belts were a great giveaway for our Member-Guest at Greensboro Country Club. The team from L.E.N came in and fit everyone on the first morning of play, cut the belts later that day, and we had the belts on carts for each player the next morning. Each belt was presented in a co-branded pouch with our club's logo alongside the L.E.N branding. Some members and guests upgraded to the premium options or bought multiple belts, adding to golf shop sales from the event. Most importantly, the event was very easy – no pre-orders, no waiting for delivery, no questions from members about when their gift was arriving... they were fit on day one, delivered on day 2, and we got a single invoice the following Monday. We are very happy with how our event went with L.E.N, and we'll look forward to when we use the company again!"

Tyler Gosselin, PGA Director of Golf Greensboro Country Club

"L.E.N. provides a customized, premium gift experience for any Member-Guest! Eric Christie and his team are true partners in the process, easy to work with and always offering different packages to fit our tournament needs. In addition to tee-gifts, L.E.N. was one of our leading partners in our Holiday shopping extravaganza; Members make sure they don't miss their presentation to ensure the opportunity to capture premium leather products for their holiday gifts! I highly recommend every premium shop engaging with Eric and the L.E.N. team!"

Simon Buckle Director of Golf Houston Country Club

"L.E.N added great value to our Member/Member. Brooke and Virginia managed the entire process and our members went home with their high-end custom-fit gift in a customized logoed belt bag. The services L.E.N. provides allow the professional staff to focus solely on the tournament. The incremental special orders on exotic offerings were a nice bonus too!"

Ben Cauble Merchandise Manager Carmel Country Club
