Our incredibly complex world is filled with relentless change, unpredictable ambiguity and unexpected upheaval. That's why the need for top-quality leaders has never been greater. In a recent survey of RLF alumni from 2000-2019, RLF graduates shared* their opinions that ...

RLF CREATES LEADERS WHO SUCCEED THROUGH UNCERTAINTY

RLF PRODUCES LEADERS WHO GUIDE PEOPLE IN NEW WAYS

- Collaborate, create and innovate with teams throughout the enterprise.
- Mentor other individual contributors and cultivate strong, high-powered teams.

RLF IS UNIQUE

RLF isn't a set of quick workshops, lectures or seminars like other programs. RLF is:

- A rigorous and highly-experiential "learning lab" fostering long term leadership development through six 2-day sessions over an 8-9 month timeframe.
- The cross-fertilization of ideas, experiences and practices as participants pull from within themselves and each other to grow amid an environment of deep learning.

LEARNING

Deep knowledge is continually cultivated through reading and discussing 25+ books to analyze and absorb a broad spectrum of important leadership principles.

EXPERIENTIAL

Participants are immersed in a rich, highly engaging team environment to practice, network and grow, reaping the benefits of the experiences of everyone in the room.

ADAPTABILITY

Over 8 months, RLF participants become more adept at embracing and adapting to change, as a launching point to innovation, creativity and inspiration.

DISCOVERY

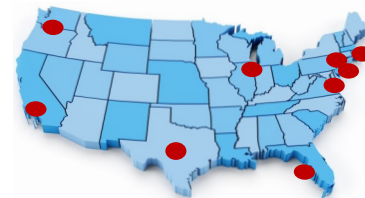

RLF is about discovering one's self and a sense of mission — to assess and adjust one's own performance and vulnerabilities to best lead other people and new situations.
