RLF CREATES LEADERS WHO SUCCEED THROUGH UNCERTAINTY.

RLF PRODUCES LEADERS WHO GUIDE PEOPLE IN NEW WAYS.

- They mentor other individual contributors and cultivate high-powered teams.

RLF – UNIQUE AMONG LEADERSHIP PROGRAMS

RLF isn't a set of quick workshops / lectures or virtual seminars like other programs. RLF is:

- A rigorous and highly-experiential in-person "learning lab" fostering long-term leadership development throughout six 2-day sessions over an 8-9 month time frame.
- The cross-fertilization of ideas, experiences and practices as participants pull from within themselves and each other to grow amidst a rich environment of deep learning.

LEARNING

Deep knowledge is continually cultivated through reading and discussing 25+ books to analyze and absorb a broad spectrum of important leadership principles.

EXPERIENTIAL

Participants are immersed in a rich, highly engaging team environment to practice, network and grow, reaping the benefits of the experiences of everyone in the room.

ADAPTABILITY

Over 8 months, RLF participants become more adept at embracing and adapting to change, as a launching point to innovation, creativity and inspiration.

DISCOVERY

RLF is about discovering one's self and a sense of mission — to assess and adjust one's own performance and vulnerabilities to best lead other people and new situations.
