About the District

Located in Minot, ND the Minot Public Schools has approximately 1,700 full and part time employees. It is the second largest employer in the area behind Trinity Healthcare. The district is a system of publicly funded PK-12 schools averaging 7,600 students. Currently the district comprises thirteen elementary schools (PK – Grade 5), three middle schools (Grades 6-8) and a high school on three different campuses (Grades 9-10; Grades 11-12; Alternative HS). In the fall of 2024, the district will complete a realignment and will have the following schools: thirteen elementary schools (PK-Grade 5), four middle schools (Grades 6-8), two comprehensive high schools (Grades 9-12) and one alternative high school. The District is also part of a Career & Technical Center.

About the Community

The community has quality health care, diverse and growing economic strengths, various employment opportunities, a variety of cultural events and many recreational activities. Minot is truly the hub of north central North Dakota. Minot is also home to Minot State University and the Quentin N. Burdick Job Corps Center, one of the nation's oldest education and training program for young adults ages 16 through 24. The Minot Air Force Base is located 13 miles north of Minot. Minot Public Schools has a unique relationship with the Minot Air Force Base School District; accepting the responsibility of educating the MAFB School District students.

The Superintendent will work with two school boards, Minot Public School District #1 and Minot Air Force Base School District #160. Minot, ND, the "Magic City" has the Souris River winding its way through the city. It is a community that takes pride in all it has to offer and is experiencing a period of growth due in large part to the energy development in Western & Central North Dakota.
