**Mission: To bring life changing resources to families living in fragile communities**

**Vision: Upward mobility for all**

Programming: **Overview, Data and Impact**

All data contributes to one of our four core strategies.

### Highlights

- Over 130 hours of sharing the Gospel
- 15 students have been referred to licensed health care providers
- Provided support to over 200 families
- Over 1100 meals provided

### Pearl's Promise Crisis Support

Crisis support that consist of Emergency Assistance Funding.

### Hazel's Heart Educational Support

K-12 year round services including paid internships and socio-emotional camping at no charge.

### Academic Goals

- 100% of students will increase their reading ability
- 100% of students will increase their math skills
- 100% of students will improve their overall grades in school
- 100% of students will show growth toward meeting the CCR standard on 3<sup>rd</sup> grade reading EOG

### Attendance Goals

- 100% of students will show improved attendance, with no student missing more than 10 days of school

### Social-Emotional & Attitudinal Growth

- 100% of students will improve their attitudes towards schooling
- 100% of students will be involved in at least on extra curricular activity at school

### Strategy One

Support parents in providing quality care to children through parental education/home visits

### Strategy Two

Educate students on college and career readiness opportunities including the trades

### Strategy Three

Expand eligibility for childcare to working families who do not meet the minimum income threshold

### Strategy Four

Promote mental health services to individuals and families

**With your support, in 2026 we will continue to strengthen our partnerships with like-minded churches, nonprofits and education influencers to expand our impact throughout other fragile communities in Mecklenburg County. God Bless!**
