## PCRC Conservative Book Club

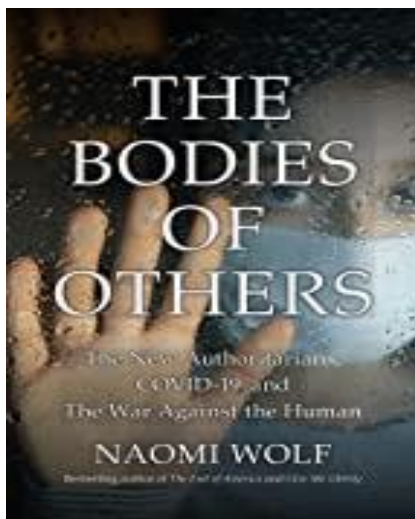

The PebbleCreek Republican Club Book Club is back!

The first meeting will be on **Monday, September 19th from 6:30-8:00 PM in Sienna Room in the Tuscany Falls Clubhouse.**

We will be reading *The Bodies of Others: The New Authoritarians, COVID-19 and The War Against the Human* by Dr. Naomi Wolf.

Dr. Wolf was the first to sound the alarm on vaccine passports and is currently leading a team of volunteer medical professionals and lawyers to review the evidence of the corrupt trials, safety data and vaccine injuries and to hold those involved accountable.

There will be a new host for each meeting. Please come prepared to discuss how Big Tech, Big Pharma, The CCP and our Oligarchical Elites have undermined our Republic in sinister ways.

**RSVP by Sunday, September 18th**  
To: Indy Rebhun at 805-660-0243.
