1X. Motion to **grant final approval without conditions** of the Tresco Lot Consolidation Plan to consolidate tax map parcel's 57-04-00-0-008, 57-04-00-0-180, 57-04-00-0-181, 57-04-00-0-182, 57-04-00-0-183, and 57-04-00-0-184 into one parcel. The Revision 4 plan dated March 25, 2026, has met the conditions as outlined in the Planning Commission memo dated April 2, 2026

Motion_____ Second_____ Vote: Jobe____ Zundel_____ Paulich _____

1Y. Motion to **grant preliminary approval** of the Tresco Land Development plan to construct a garage building at 165 Plant Road Export, Pa. 15632 bearing tax map# 57-04-00-0-181. The Planning Commission letter dated April 2, 2026 recommends that final plans addressing the following conditions be submitted to the Township no later than noon at least one week prior to the Supervisor regular meeting not more than five (5) years from preliminary approval.

1. The Note referencing the Instrument Number for the Lot Consolidation must be shown on the Plan (Section 307.A.6);
2. A Statement of Purpose must be added to the Plan (Section 307.A.8);
3. The easement that is to be entered into between Tresco Paving Corporation and Damimo must be added to the Plan with appropriate metes and bounds (Section 307.D.7);
4. A calculation showing the lot size must be shown on the Plan to ensure compliance with the 2-acre minimum lot size for non-residential development (Section 601.B.2);
5. The height of the building must be included in the Plan: "No building shall be located less than a distance equal to its height from any property line except that such distance shall be not less than 15 feet from any side or rear line and not less than forty (40) feet from the street Right-of-Way line." (Section 601.B.3.b);
6. The location of the building shall be indicated showing the area and minimum distances between setbacks (Section 307.E.8);
7. The following signature nomenclature must be added to the Plan for the Planning Commission review (Section 501.H.22):

Chairperson

Secretary

8. WCCD and DEP approval is required;
9. Stormwater approval by the Township Engineer is required;
10. As per the Township SEO, an application for an On-Lot Sewage System Permit needs to be submitted to the Township for approval of the existing on-lot system to be reused and tied into the new garage; and
11. A Revision Number and Date must be added to the Plan.

Motion _____ Second _____ Vote: Jobe _____ Zundel _____ Paulich _____

- 1Z. Motion to **grant preliminary approval** of the Schlemmer Land Development to review the Schlemmer Land Development Plan to construct a wedding venue facility on building addition with parking on Tax Map Parcel No. 57-12-00-0-087. The Planning Commission letter dated April 2, 2026 recommends that final plans addressing the following conditions be submitted to the Township no later than noon at least one week prior to the Supervisor regular meeting not more than five (5) years from preliminary approval.
- I. Solicitor Thomas noted that the parcel under development lies within an Agricultural Security Area. During the meeting there was discussion about whether this would restrict development. After reviewing the applicable restrictions under the Agricultural Area Security Law, 3 P.S. §§ 901–915, it was determined that the proposed project does not conflict with the requirements for development in such an area. The Agricultural Security Area designation does not implicate whether the property is subject to an agricultural conservation easement, nor does it implicate if the property is participating in or under the restrictions of a Clean and Green program. Both programs have greater restrictions on development.

A letter requesting removal of parcel 57-15-00-0-202 from Agricultural Security should be submitted to the Township as the Gettysburg Plan of lots had removal as a condition of approval.

7:00PM

2. The proposed parking lot appears to extend into the adjacent parcel. Solicitor Thomas advised that the entire development must remain within a single parcel's boundaries unless an exception is obtained for the encroachment. Under the Township's SALDO, constructing a parking space beyond the required setback lines is expressly prohibited. Article VI, Section 602(D). It is recommended that the Applicant explore options such as lot consolidation, a side lot addition, or applying for the necessary exception, all of which would require submitting an additional application.
 - a. The revised Plan decreased the parking area to fit onto the same parcel. The proposed parking area, however, encroaches into the side yard setback. ***A Side-Lot Addition Plan will be submitted to the Township to eliminate the parking lot encroachment.***
3. A revised Title Sheet T-1 be submitted showing the following:
 - a. The certification and license number of the Professional Engineer who prepared the Plan (Item #8, Section 307.A.7); ***Appears to be satisfied.***
 - b. Owner's Certification requires a Name of the Owner; ***Appears to be satisfied.***
4. Amend the General Notes Sheet GN-1 information block with general requirements to "Salem"; ***Appears to be satisfied.***
5. A revised Site Plan Sheet SP-1 be submitted showing the following:
 - a. The parcel(s) is not clearly identified on the Site Plan. Show the exterior tract boundaries as prepared by a Professional Land Surveyor (Item #12, as per Section 307.D.1);
Minor contours are to be removed to improve the clarity of details on the plan.
 - b. A forty-foot (40') front building setback off US Route 22 (Item #13, as per Section 412.B);
Label the front building set back line.
 - c. A thirty-foot (30') front building setback off Hornock Road (Item #13, as per Section 412.A);
Label the building set back line.
 - d. A fifteen-foot (15') side and rear set back (Item #13, as per Section 412.D);
Show the side and rear set backs on parcel 57-15-00-0-202.

**SALEM TOWNSHIP BOARD OF SUPERVISORS
MEETING AGENDA
244 CONGRUITY RD. GREENSBURG PA
April 15, 2026
7:00PM**

- e. The water line should be identified on the Plan as “public”; *Appears to be satisfied.*
- f. A Driveway permit must be approved by the Township.

Outstanding.

- g. Adjacent property owner’s name, property lines, tax map # (Item 16, as per Section 307.D.2)

NOTE: The information could be removed from Sheet EC-1 and added to the Site Plan (Sheet SP-1); *Appears to be satisfied.*

- h. Right of Way for Route 22 and Hornock Road need shown on the Plan (Item #22, Section 307.D.6); *Appears to be satisfied.*
- i. The dimensions and area of the proposed building as per Section 307.E.8; *Appears to be satisfied.*
- j. The length and width of the parking lot should be shown on the plan as per Section 307.E.8;

Outstanding.

- k. The Site Plan contains insufficient information to determine the “Off-Street Parking” and “Loading” requirements as per Section 602, specifically:
 - i. Number and size of spaces provided for the facility must be identified.

The number and size of the parking spaces is still being discussed. The SALDO does not have a clear definition to fit a wedding venue. A parking exhibit is recommended to show the size and number of spaces based on a category within the SALDO that reflects the use of the building as closely as possible. ***The plan contains a parking chart with calculations for 1 space per every 4 seats requiring 63 spaces. The parking lot provides for 120 spaces. Appears to be satisfied.***

- ii. Parking spaces shall be at least nine (9) feet in width and twenty (20) feet in length (Section 602.F.1);

To provide additional parking spaces due to the loss of area, the Applicant is requesting a modification of the parking space dimensions. The Members did not recommend the

SALEM TOWNSHIP BOARD OF SUPERVISORS
MEETING AGENDA
244 CONGRUITY RD. GREENSBURG PA
April 15, 2026
7:00PM

modification at this time. *Parking spots will be maintained as 9x20. Appears to be satisfied.*

- iii. Distance between the rows must be identified. Rows are not to be less than twenty-four (24) feet in width;

To provide additional parking spaces due to the loss of area, the Applicant is requesting a modification of the distance between parking lanes. The Members did not recommend modification at this time. *Distance between rows will be maintained at 24' wide. Appears to be satisfied.*

- iv. Label the proposed loading docks and size of each loading space (Section 603);

1. Number of loading spaces: Page 46 based on gross floor area;
2. Location: 603.D – not located in any ‘front yard’

The proposed building falls under the minimum square footage in the SALDO that require a loading area. A discussion of the traffic pattern in relation to loading and unloading may take place during the review of a future revised plan. *Appears to be satisfied.*

- v. Internal traffic circulation patterns must be shown; *Appears to be satisfied.*

6. Township Engineer approval of the Stormwater Management Plan is required;

Outstanding – currently under review.

7. WCCD approval of the Erosion and Sedimentation Control Plan and NPDES permit is required;

Outstanding – currently under review.

8. Sewage Facilities Planning Component 2 approval is required; SEO, Township and DEP approval has been received. *Appears to be satisfied.*

9. MAWC verification letter of the public water availability and tap is required;

Outstanding – Working with MAWC to extend the water main along US Route 22. A water availability letter is to be provided to the Township.

7:00PM

10. The entrance/access roadway need to be fully described by courses and distances, and located on the Site Plan respect to the multiple tax map parcels implicated by this plan.
Appears to be satisfied.

11. Access easements will need to be reserved over other tax map parcels without a lot consolidation. Those instruments must be recorded and the instrument numbers for those should appear on the plan.

Outstanding.

12. A Revision number and Date must be added to the Plan.
