Resident Eric Hageder asked if it will be awarded in whole or by size. Kerry said usually it is awarded by size. Asphalt is sometimes awarded to more than one company depending on who is the lowest bidder for each specification.

Kerry said this could turn into a coin flip at a public meeting to break ties.

All bids on this agenda were advertised in the Tribune-Review two times.

Todd said we have enough stone for now. We placed an order before the contract expired to fill our bins. We may run out of dust. The plan is to receive bids before the June meeting and award at the June meeting. A motion will be on the May 20 agenda to readvertise.

Todd realized that the possible reason that we didn't receive bids was because the power plant is taking the supply.
