- 1B. Motion made by Todd Paulich and seconded by Kerry Jobe to hold all bids for award at the supervisor meeting scheduled for April 15, 2026 at 7:00pm

Resident Eric Hageder expressed concerns with drivers approaching the red light at Rt 66 North and Sheffield Dr. He asked if a strobe light can be installed to alert drivers of the red light.

Mark Szewcow said that strobe lights are no longer accepted by the Federal Highway Administration. If you have them, they will be removed. A signal ahead sign that blinks red when the light is about to turn red can be installed for an additional \$1,000. Since we are under the grant amount, that is an option.

Todd advised that the far-right lane on 66N/Sherridan ramping to Rt 22 needs placed in the center of the lane rather than to the left of the lane.

**Vote on the motion:** Kerry Jobe, and Todd Paulich voted for the motion. Motion passed by majority vote.
