Atty. Muscante
- Public discussion from residents and taxpayers taken during the course of the meeting, as each item is brought up for motion
- Announcements: No smoking during the meeting;
: Residents please give your name when addressing Supervisors
: Please turn off all cell phones

Special guest: Bob Heffelfinger, Richland Twp supervisor and PSATS Board. The reason for the visit is to present Salem Township resident, Sadie Sarver with a \$1500 scholarship from PSATS. Sadie will be attending UPJ. Sadie introduced herself and explained the work she did with the Scouts and the community to get the scholarship. She ended with thanking PSATS for the opportunity.

1. ADMINISTRATION

- 1A. Motion made by Todd Paulich and seconded by Kerry Jobe to approve the Minutes of the March 18, 2026, Supervisor meeting.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1B. Motion made by Todd Paulich and seconded by Kerry Jobe to approve the Minutes of the April 14, 2026, Supervisor special meeting.

This meeting was to open bids for the ARLE grant Route 66 traffic signal upgrade program. The grant award was for \$224K

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1C. Motion made by Todd Paulich and seconded by Kerry Jobe to approve expenditures for the month as follows, noting those disclosures filed of record with the Township Secretary, by Supervisors of their routine business dealings with certain of those vendors whose invoices may be paid pursuant to this Motion:

TOTAL	\$222,885.21

Resident Eric Hageder asked what the FTMSA charge for \$42K is for. Kerry explained that last year we received a grant for the Variable Frequency Drive. It has been in for a couple months but there were questions with FTMSA and the electrical contract with Schultheis. We just received that bill. A big chunk of this invoice is paid for out of the grant which is about \$33K.

Our two pumps are not functioning currently and we are using a bypass pump which costs about \$2000 per week.

Eric Hageder made comment to Sol. Muscante about MBM's redacted bill. He questioned why his name is indicated and others are not. Is there a reason why there isn't consistency. Sol. Muscante responded and said that theirs is a claim and yours is a lawsuit.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1D. Motion made by Todd Paulich and seconded by Kerry Jobe to award the following bids and approve the purchase as needed of various materials and supplies through procurement contracts bid through the Indiana-Westmoreland COG. The COG bids were opened at the COG Meeting on March 23, 2026. (A copy of the bid summary is available)

<u>Bidder</u>	<u>Material</u>	<u>Bid Amount</u>

Kerry explained that the COG mistakenly sent to the vendor's inflated 2025 procurement quantities with 2026's aggregate bids. The asphalt bids were fine. In the past, too much material has been bid. This year, the supervisors reviewed how much material is realistic and new lower numbers were sent to the COG. The updated quantities were sent to the COG by the deadline but 2025's were sent by the COG to the vendors. After we realized the discrepancy, we contacted the COG and they sent 2026's to the vendors. Some vendors sent bids with 2025's quantities and some sent 2026 quantities.

Resident Tom Ridella asked if Tresco's quality of their product has been researched to determine what is in the mix. Kerry said that it wasn't due to having other priorities.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1E. Motion made by Todd Paulich and seconded by Kerry Jobe to reject all the COG stone bids that were opened at the COG meeting on March 23, 2026.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1F. Motion made by Todd Paulich and seconded by Kerry Jobe to advertise for bids for the purchase of:

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1G. Motion made by Todd Paulich and seconded by Kerry Jobe to advertise for bids for the purchase of:

6100 linear ft. (various sizes) of double wall plastic pipe
12,000 gallons diesel fuel
5,000 gallons regular gasoline

All quantities are approximate and more or less may be approved. Bids must be received by 8:00 a.m. on May 18, 2026, and will be opened at a Special Meeting at 9:00 a.m. on May 18, 2026. Bids will be awarded at the Supervisors' meeting on May 20, 2026. The Township has the right to reject all bids.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1H. Motion made by Todd Paulich and seconded by Kerry Jobe to award Bronder Technical Services the bid for **TRAFFIC SIGNAL SAFETY UPGRADES -ROUTE 66 CORRIDOR PROJECT** within the Township at a bid amount of \$183,881.43. Bids were opened and recorded at a special advertised meeting on April 14th, 2026, and held for award at the April 15, 2026, Supervisor meeting. (Bids are available for review).

The grant was for \$224,000 for Route 66 traffic signal upgrades. The radar detection system allows the computer to see oncoming traffic and can delay the red light and control the light from turning red. This is a no-match grant, and the engineering fees were about \$20K. We will come in under budget. If you come in under budget, you don't get to keep the difference. We ended up under budget on the Rt 22 upgrades by \$40K.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1I. Motion made by Todd Paulich and seconded by Kerry Jobe to hire Paul Holleran as a Part-Time seasonal employee for special projects.

Todd said we are putting a waterline in on Kennan. We are hiring retired part time people. They can only work for 4 months because they are non-union.

Resident Debbie Perino asked if they are using their own equipment and what will they be paid. Todd said they will use the Township equipment and will be paid \$30 per hour with no benefits.

Resident Connie Mattei asked if it presents a conflict with Paul being on the Planning Commission. To clarify this comment, Connie referenced the MPC under section 205 that all Planning Commission members appointed shall be residents and on a board of three at least two must be non-employees. We should be okay.

Todd said there isn't a start date yet because the water authority and Township must approve the project.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1J. Motion made by Todd Paulich and seconded by Kerry Jobe to hire Jimmy Buczak as a Part-Time seasonal employee for special projects.

Todd said both these guys are retired and can do the work without him being there. He can be other places with the road crew. This is the cheapest option to get the job done. They will not do road crew work. We may use them at the park for a gas line relocation project. Any work at the park is non-union work.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1K. Motion made by Todd Paulich and seconded by Kerry Jobe to transfer \$69,227.35 from the Seanor Park Grant Fund to the General Fund. \$69,227.35 was reimbursed by the Commonwealth for the Rt 22 upgrade project under the ARLE grant. Funds were deposited via ACH into the Seanor Park Grant Fund instead of General Fund.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1L. Motion made by Todd Paulich and seconded by Kerry Jobe to approve an Extension of Bid Proposal with Tresco Paving Corporation for the furnishing and delivery of bituminous materials, aggregates, and related paving materials as specified in the Schedule of Prices for an additional 90 calendar days from the original bid expiration date for materials to be used for the 2025 Forbes Road paving Project.

Kerry said it is around 1700 tons of 9.5 and 19MM material. This is the project that Redstone was supposed to do in Forbes Road in 2025 and they couldn't get it done.

- 1M. Motion made by Todd Paulich and seconded by Kerry Jobe to appoint Melissa DeHaven as Assistant Secretary-Treasurer of the Board of Supervisors with an effective start date of March 23, 2026

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1N. Motion made by Todd Paulich and seconded by Kerry Jobe to approve Resolution# 13-2026 entitled;

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TOWNSHIP OF

- 1P. Motion made by Todd Paulich and seconded by Kerry Jobe to approve the purchase of 3,000 feet of 2" SDR 7 Performance Plastic Pipe from Hoover Oilfield Supply to be used for the Seanor Farm Park gas line relocation project at a quoted price of \$6,487.38. The invoice is to be paid from Park Initiative Funds

This motion and the next two are for a gas line relocation project at the park to allow for the new ballfield at the park. We are under the bidding requirement threshold. The labor is specific to gas company approved contractors.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1Q. Motion made by Todd Paulich and seconded by Kerry Jobe to approve the purchase of gas line risers and connections from Miller Supply to be used for the Seanor Farm Park gas line relocation project at a quoted price of \$5,496.05. The invoice is to be paid from Park Initiative Funds.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1R. Motion made by Todd Paulich and seconded by Kerry Jobe to approve a proposal in the amount of \$7,640.88 from Petroleum Service Partners, Inc. for installation of gas lines for the Seanor Farm Park gas line relocation project. The invoice is to be paid from the Park Initiative Funds.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1S. Motion made by Todd Paulich and seconded by Kerry Jobe to approve and authorize signing the Standard Form of Agreement between Bruce-Merrilees Electric and the Township of Salem to complete Traffic Signal repairs at the Route 22 and 119 intersection due to damage caused by a vehicular accident.

This has been turned into the insurance company. We don't know when work will be completed because it takes months to get poles.

- 1T. Motion made by Todd Paulich and seconded by Kerry Jobe to approve a Collective Bargaining Agreement with the United Auto Workers for 2026, 2027, 2028 effective retroactively from January 1, 2026.

Resident Tom Ridella wanted to know how the healthcare is set up. Kerry said the employees aren't contributing in this contract. They would rather not fight for a ton of extra money and keep their healthcare without contributing. The contract will be available once approved.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1U. Motion made by Todd Paulich and seconded by Kerry Jobe to **grant final approval** of the Penn Home & Farm Plan of Lots 2 plan to add lot 3 to tax parcel 57-12-08-0-013 and add lot 4 and lot 5 to tax parcel 57-12-00-0-021. The Revision 3 plan dated April 3, 2026 has met the conditions as outlined in the Planning Commission memo dated April 2, 2026.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1V. Motion made by Todd Paulich and seconded by Kerry Jobe to **grant final approval** of the Donald Jones Subdivision plan to subdivide lot B from Westmoreland County tax parcel ID 57-15-00-0-012. The Revision 2 plan dated April 6, 2026 has met the conditions as outlined in the Planning Commission memo dated April 2, 2026.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1W. Motion made by Todd Paulich and seconded by Kerry Jobe to **grant final approval** of the Jeffrey L. Demary Lot Line Revision Plan to eliminate the existing 35 foot right of way and create a new 40 foot private right of way in a more suitable location further south of tax map parcel# 57-16-13-0-003 and 57-16-13-0-020. The Revision 1 plan dated March 26, 2026 has met the conditions as outlined in the Planning Commission memo dated April 2, 2026

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

- 1Y. Motion made by Todd Paulich and seconded by Kerry Jobe to **grant preliminary approval** of the Tresco Land Development plan to construct a garage building at 165 Plant Road Export, Pa. 15632 bearing tax map# 57-04-00-0-181. The Planning Commission letter dated April 2, 2026 recommends that final plans addressing the following conditions be submitted to the Township no later than noon at least one week prior to the Supervisor regular meeting not more than five (5) years from preliminary approval.
1. The Note referencing the Instrument Number for the Lot Consolidation must be shown on the Plan (Section 307.A.6);
 2. A Statement of Purpose must be added to the Plan (Section 307.A.8);
 3. The easement that is to be entered into between Tresco Paving Corporation and Damimo must be added to the Plan with appropriate metes and bounds (Section 307.D.7);
 4. A calculation showing the lot size must be shown on the Plan to ensure compliance with the 2-acre minimum lot size for non-residential development (Section 601.B.2);
 5. The height of the building must be included in the Plan: "No building shall be located less than a distance equal to its height from any property line except that such distance shall be not less than 15 feet from any side or rear line and not less than forty (40) feet from the street Right-of-Way line." (Section 601.B.3.b);

8. WCCD and DEP approval is required;
9. Stormwater approval by the Township Engineer is required;
10. As per the Township SEO, an application for an On-Lot Sewage System Permit needs to be submitted to the Township for approval of the existing on-lot system to be reused and tied into the new garage; and
11. A Revision Number and Date must be added to the Plan.

Tom Ridella had questions regarding condition #10. Kerry stated that there is a vacant trailer on the parcel and they want to potentially use the septic for the bathroom in the new storage building. Doug has been working with the applicant to do soil testing. They will have to get approval before the plan will receive final approval.

PC member, John Wright, wanted clarification on the height of the building. Is it measured from the eaves, the peak of the gable, gutter height, side of building? The ordinance says the height of the building. The SALDO isn't specific. Connie explained that if the building were to fall over it can't fall within the 15-foot setback for commercial buildings. Todd would like to debate more, especially since Bob isn't here.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

12. Motion made by Todd Paulich and seconded by Kerry Jobe to **grant preliminary approval** of the Schlemmer Land Development Plan to construct a wedding venue facility on building addition with parking on Tax Map Parcel No. 57-12-00-0-087. The Planning Commission letter dated April 2, 2026 recommends that final plans addressing the following conditions be submitted to the Township no later than noon at least one week prior to the Supervisor regular meeting not more than five (5) years from preliminary approval.
1. Solicitor Thomas noted that the parcel under development lies within an Agricultural Security Area. During the meeting there was discussion about whether this would restrict development.

**SALEM TOWNSHIP BOARD OF SUPERVISORS
MEETING MINUTES
244 CONGRUITY RD. GREENSBURG PA
April 15, 2026
7:00PM**

After reviewing the applicable restrictions under the Agricultural Area Security Law, 3 P.S. §§ 901–915, it was determined that the proposed project does not conflict with the requirements for development in such an area. The Agricultural Security Area designation does not implicate whether the property is subject to an agricultural conservation easement, nor does it implicate if the property is participating in or under the restrictions of a Clean and Green program. Both programs have greater restrictions on development.

A letter requesting removal of parcel 57-15-00-0-202 from Agricultural Security should be submitted to the Township as the Gettysburg Plan of lots had removal as a condition of approval.

2. The proposed parking lot appears to extend into the adjacent parcel. Solicitor Thomas advised that the entire development must remain within a single parcel's boundaries unless an exception is obtained for the encroachment. Under the Township's SALDO, constructing a parking space beyond the required setback lines is expressly prohibited. Article VI, Section 602(D). It is recommended that the Applicant explore options such as lot consolidation, a side lot addition, or applying for the necessary exception, all of which would require submitting an additional application.
 - a. The revised Plan decreased the parking area to fit onto the same parcel. The proposed parking area, however, encroaches into the side yard setback. ***A Side-Lot Addition Plan will be submitted to the Township to eliminate the parking lot encroachment.***
3. A revised Title Sheet T-1 be submitted showing the following:
 - a. The certification and license number of the Professional Engineer who prepared the Plan (Item #8, Section 307.A.7); ***Appears to be satisfied.***
 - b. Owner's Certification requires a Name of the Owner; ***Appears to be satisfied.***
4. Amend the General Notes Sheet GN-1 information block with general requirements to "Salem"; ***Appears to be satisfied.***

Minor contours are to be removed to improve the clarity of details on the plan.

 - b. A forty-foot (40') front building setback off US Route 22 (Item #13, as per Section 412.B;

- k. The Site Plan contains insufficient information to determine the "Off-Street Parking" and "Loading" requirements as per Section 602, specifically:
 - i. Number and size of spaces provided for the facility must be identified.

The number and size of the parking spaces is still being discussed. The SALDO does not have a clear definition to fit a wedding venue. A parking exhibit is

The parking lot provides for 120 spaces. Appears to be satisfied.***

- ii. Parking spaces shall be at least nine (9) feet in width and twenty (20) feet in length (Section 602.F.1);

To provide additional parking spaces due to the loss of area, the Applicant is requesting a modification of the parking space dimensions. The Members did not recommend the modification at this time. ***Parking spots will be maintained as 9x20. Appears to be satisfied.***

10. The entrance/access roadway need to be fully described by courses and distances, and located on the Site Plan respect to the multiple tax map parcels implicated by this plan. *Appears to be satisfied.*
11. Access easements will need to be reserved over other tax map parcels without a lot consolidation. Those instruments must be recorded and the instrument numbers for those should appear on the plan.

Outstanding.

12. A Revision number and Date must be added to the Plan.

Vote on the motion: Kerry Jobe and Todd Paulich voted for the motion. Motion passed by majority vote.

2. COMMUNITY DEVELOPMENT

May 16, 2026, is clean-up day. Kerry will circulate the flyer on social media especially since the printers have been down for weeks at Penn-Franklin news.

3. SEWAGE

Connie Mattei receives copies of sewage permit applications under a Right to Know. There were two permits issued in 2026 that were signed by Dave Jobe who resigned in December instead of SEO Doug Regola who was appointed in January. What authorizes an SEO to go to a property and work with the soil scientist if there isn't a permit application? There is no paper trail. She wants to know if the township was paid for these. Kelly said they were paid when the application was recently submitted. Connie said the permit for Hi-acres road just came through a subdivision. It has an abandoned home and is permitted for a new system. It is questionable that a permit is being issued for a new system with a system on it. She wants to meet with the Supervisors to discuss further and to get answers on an outstanding RTK asking for records from the previous SEO that the Township has not received.

Eric Hageder said that there are irregularities in the process that need addressed.
