# Face Cover Tips to further Fight the Virus

1. Wash your hands before putting on your face covering.

2. Put it over your nose and mouth and secure it under your chin.

3. Try to fit it snugly against the sides of your face.

**Notes:** Make sure you can breathe easily. Children under 2 years of age are **not** required to wear face masks.

# Face Shields are AOK in the church

Persons unable to wear  
a face cover may wear a  
face shield.
