A Giant Thank You!

My heart is so full as I sit down to write this. 🧡

To my incredible students — thank you for showing up, working hard, and pouring your hearts into every class. Watching your confidence grow, your friendships form, and your love for dance deepen has been one of the greatest joys of my life.

To my amazing dance parents — thank you for trusting me with your children, for your support, your patience, and for being the backbone of this studio. None of this works without you.

To my wonderful teachers — Miss Jessica, Miss Steph, and Miss Brooke — I am beyond grateful for each of you. Your passion, dedication, and love for these dancers shines every single day. You help make this studio the special place it is.

To my husband, Brandon — thank you for believing in me, supporting my dreams, and standing beside me through every late night, big idea, and busy season. I couldn't do this without you.

And to my family — Jane, Brittney, Kyler, Archer, Orion, Caelum, Arris and Nova — thank you for always cheering me on and supporting this journey. Your love means everything.

In just TWO years, this studio has grown more than I ever imagined. What started as a dream has turned into a thriving, beautiful community, and I am so proud of every single person who has been part of it. This is only the beginning — I have big hopes and even bigger dreams for where we're going next. ✨

If you've been part of this journey, thank you. If you're thinking about joining us — we would LOVE to have you. Summer and Fall registration is open, and we can't wait to keep growing together.

Here's to more dancing, more memories, and more magic ahead.

—Miss Sadie
