

EVERGREEN MEADOWS

Dear Neighbors,

As a community, we have the privilege of enjoying sidewalks that provide safe and pleasant walkways for all residents. To preserve this benefit, it is essential to address the maintenance of trees and shrubs along these paths.

Plainfield Township and our HOA Deeds & Restrictions require homeowners to ensure that any trees and shrubs on their property are trimmed to avoid obstructing the sidewalks. Several overhanging branches and overgrown shrubs have been observed, creating potential hazards for pedestrians.

To maintain clear and safe passage, we kindly request that all residents trim any branches extending over the sidewalk to a height of 8 feet per the Kent County Road Commission's recommendation and trim any shrubs from encroaching on the sidewalk. We have also requested overhanging trees on our neighborhood streets be trimmed by the Kent County Road Commission and have been assured this will happen before the end of August.

Your cooperation in this matter will help uphold the safety and beauty of our neighborhood. If you have any questions, please contact us through any of the provided channels:

- Social Media: Direct Message is available on the HOA Board Facebook Page.
