

EVERGREEN MEADOWS

A message from the Board,

We understand that the announcement of the Neighborhood dumpster delivery on May 2 has sparked some feedback and concerns among neighbors. The HOA Board has diligently reviewed these concerns and considered the varying and valued opinions expressed by our residents. Following a thorough evaluation, we remain confident that this service complies with the guidelines outlined in our Declaration of Restrictions. Therefore, the dumpster will be delivered on May 2 as previously planned.

While we sincerely hope that all neighbors will be mindful and considerate in utilizing the dumpster, ensuring fair access to as many residents as possible, we recognize that monitoring this poses a challenge. To address this concern, we have committed to monitoring the available space in the dumpster closely, and if necessary, we will arrange for an additional dumpster to be delivered on a weekend, if possible.

Furthermore, we have taken note of the community's concerns and have included this topic in the agenda for our upcoming Association meeting to facilitate an open discussion. Your feedback is incredibly valuable to us, and as always we encourage community members to share constructive feedback or suggestions on how we can further enhance the well-being of our neighborhood.

If you wish to communicate directly with the board, please feel free to reach out through any of the provided channels:
