Dominican Festival Association would like to invite you to our 9 Annual Dominican Festival. The Festival will be held on September 19, 2026 in PNC Parking Lot at the SteelStacks. The Dominican Festival is the biggest hispanic festival in the area and continues to grow. Last year's festival was the largest ever, with over 12,000 attendees, also we are the first Hispanic festival at Downtown Allentown. The Dominican Festival is a nonprofit 501 (c) 3, non-partisan organization in formation that organizes the annual festival and festivities. The organization strives to provide an understanding of the heritage and contributions of the Dominican community in America and throughout the world. The mission of the Dominican Festival, Inc. is to celebrate the richness of Dominican culture, folklore and popular traditions. This Year, the organizing committee would like to offer your company an opportunity to be a major sponsor of the event. Please find on the next page our sponsorship packages and what will be included on each one. *Sincerely;*
