<sup>1</sup> Prices are calculated for high-performance PLA-type polymer printed with a 0.4 mm nozzle, 0.2 mm layer height and 15 % infill. Changes in material and printing conditions may entail price changes. <sup>2</sup> Packaging and shipment are charged separately. <sup>3</sup> Quantity discounts apply. Bulk prices are available upon request. <sup>4</sup> Including 20% VAT. <sup>5</sup> Light filters are sold separately on demand and to customers' specifications. Filter sockets are individually fitted and may entail price changes. <sup>6</sup> Architecture and number of wells are made to customers' specifications.

For additional services, further enquiries and individual pricing, please visit us on [www.inncellys.com](http://www.inncellys.com) and send an email to [innovate@inncellys.com](mailto:innovate@inncellys.com).
