Dear Community Partner,

On behalf of the Gamma Delta Sigma Alumni Chapter of Phi Beta Sigma Fraternity, Inc., I am pleased to invite your organization to support our Getting in Good Trouble Awards & Scholarship Luncheon, taking place on June 12, 2026, in Orlando, Florida.

The Getting in Good Trouble Luncheon is one of our signature annual events and serves as both a celebration and a call to action. Inspired by the legacy of Congressman John Lewis, this event honors individuals and organizations who exemplify leadership, service, and the courage to create positive change within our community. Proceeds from the luncheon directly support our scholarship program, providing financial assistance to deserving local students pursuing higher education.

The Gamma Delta Sigma Alumni Chapter has a long-standing commitment to service, education, and civic engagement throughout Central Florida. Through scholarships, youth mentoring, educational programming, and community outreach initiatives, we work to uplift underserved populations and prepare the next generation of leaders. Partnerships with organizations such as yours are essential to sustaining and expanding this important work.

We respectfully invite you to consider sponsoring this year's luncheon. Sponsorship offers an opportunity to demonstrate your organization's commitment to education, leadership, and community advancement while receiving recognition among community leaders, professionals, and supporters in attendance.

We would welcome the opportunity to discuss sponsorship levels and explore a partnership that aligns with your philanthropic and community engagement goals. Thank you for your time, consideration, and continued support of initiatives that strengthen our community.

Sincerely,

Justin Cloud
President, Gamma Delta Sigma Alumni Chapter
