### Clothing Expectations & Requirements

Bring leisure attire for class and chapel services —jeans/long shorts and shirts or, something similar for play. Do not bring shorts, skirts, or dresses that are more than two inches above the knee. Nothing too tight or bare in the mid-section is appropriate. There will be no skin-tight clothing permitted (athletic pants/shorts, yoga pants/shorts, or similar). You will be asked and expected to change if clothing is immodest. This will be strictly enforced for older young people. These are basic requirements for dress. If you are unsure about a certain item of clothing, feel free to contact one of the directors for more information. It is better to ask than to be at camp with very few clothes that you are permitted to wear.

## SAVINGS OPPORTUNITIES:

The board of Directors had to raise the price of camp this year. While we take no pleasure in doing this, it was a necessity. With this increase, we have some savings opportunities to share with you. As in years past, we are offering that if you have a Camper who goes to 3 weeks of Camp, the third week is half price. If you have 3 campers going to 1 week, your 3rd camper is half price. A new opportunity we want to offer is bringing a new camper to SVYC. If you bring a new camper with you who has never been to a week SVYC, we will give you a \$20 discount. We have tried to stress in recent years the importance of bringing friends to camp. We're now willing to give you a discount for doing so. Your friend gets to find out how great it is to come to SVYC, & you get a discount. If money is still an issue...

## Full and Partial SCHOLARSHIPS Available :

If you or someone you know would like to attend camp but cannot afford the cost, simply contact one of the directors to arrange for a scholarship to be awarded in the amount needed. NO ONE will be turned away for lack of registration money.

## The camp exists to teach the Bible and promote Christian living:

- There is to be no deliberate destruction of camp property or the property of others at camp.
- Theft will not be tolerated.
- There is to be no alcohol or tobacco of any kind.
- Daily attention will be given to personal appearances and cleanliness. Both boys and girls are expected to dress modestly.
- Shoes MUST be worn at all times.
- There is to be no profanity or vulgar language.
- Please do not write on walls or bunks, nor place your gum on them or items in the dining room.
- Cell phones, music devices, games, and other electronic devices will not be permitted during any time other than free time (on a limited basis). Music, videos, or games that are considered—by camp staff—to be offensive, vulgar, or un-Christian-like, will not be allowed.

## A Special Message for Parents:

Be sure that unlawful drugs are not brought to camp; also be sure that prescriptions and other medications are properly protected from misuse. All prescription drugs must be turned over to our nurse and kept locked in the camp dispensary. Another matter of concern – we need to know of any allergies to the camper. These allergies need to be identified along with other registration information.

## Visitors:

We enjoy having folks visit from time to time while camp is in session. Some folks are only able to make day or evening visits. This is welcomed. However, due to the high cost of operating the camp, we ask that visitors pay \$20 a day or \$10 a meal. We know you will understand and we thank you for visiting with us.

## Junior Counselors and Staff Assistant(s):

ALL of those who wish to serve as a Junior Counselor at SVYC, MUST complete an application and send it to the director of the week(s) for which they have applied. The application can be downloaded from our website under the more tab.

**Registration Instructions: Please send your completed registration form along with your pre-registration fee to the director for the week(s) of camp you plan to attend. Directors' information can be found to the right.**
