Our services cater to both individuals and institutions, offering efficient and innovative solutions. We prioritize client-centric approaches and leverage infomediaries to drive high-value outcomes. By initiating world-class applications, we deliver exceptional results for our clients.

## WHAT WE DO

### Bookkeeping & Accounting

Our bookkeeping and accounting services offer a flexible and cost-effective solution tailored to your specific needs. We handle all your compliance obligations, such as VAT, payroll, and statutory requirements, allowing you to focus on business growth with peace of mind.

### Tax

When it comes to taxation, our experts are adept at navigating its complexities while staying updated on regulatory changes. Whether you operate locally, nationally, or internationally, we ensure compliance across all jurisdictions. Our extensive knowledge and experience allow us to combine technical expertise with sector-specific insights, satisfying both your needs as a taxpayer and the requirements of tax authorities.

### Set-Up Limited Company

At Smart Accounting, we make it easy to set up a limited company, guiding you through every step with expert advice. We handle the registration process with Companies House, help you appoint directors and shareholders or guarantors, and ensure your business is properly registered for tax. Our tailored approach saves you time and ensures your company is structured for compliance and tax efficiency. Let us take care of the details so you can focus on growing your new business!

# WHAT WE DO

## Payroll

Rest assured, our team of payroll experts remains up-to-date with the ever-changing legislation surrounding payroll compliance. We stay informed about crucial aspects such as pension auto-enrolment, ensuring that you remain compliant with the latest regulations.

## VAT

VAT and other related sales taxes can be incredibly intricate to navigate. Our team of VAT experts brings diverse backgrounds and extensive experience in handling various VAT matters, from routine day-to-day issues to more complex and high-risk solutions.

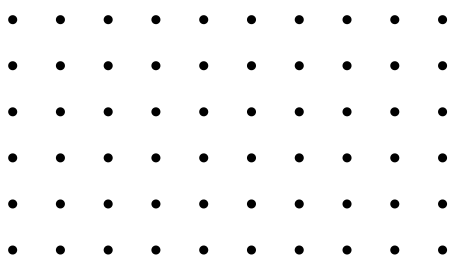

## Year End Accounting

Our year-end accounting service ensures that businesses fulfill their obligation of preparing annual accounts for tax assessment and filing with Companies House. With our expertise, clients can save valuable time and have peace of mind, knowing that we provide detailed and compliant accounts tailored to meet Inland Revenue scrutiny and Company Law requirements.

## Business Consulting

At our firm, we specialize in business consulting, where we understand that everyone has priorities and goals, whether on a commercial or personal level. Our dedicated team is here to assist you in identifying those priorities and turning them into reality.
