SLIDING SCALE FEE INCREASE AGREEMENT

FEES

I have been paying sliding scale fee based on my original application/membership with Open Path Psychotherapy Collective based on my report of financial need and inability to afford current market rates of psychotherapy.

At this time, my financial needs and/or insurance benefits have changed and I understand that I no longer qualify for the Open Path sliding scale fee. I have discussed the change with my therapist and have renegotiated a fee between the Open Path sliding scale fee and standard fee (i.e. \$90). If my financial circumstances change and am in need of a further reduced fee again, I may renegotiate and discuss with my therapist at that time, subject to my therapists availability for sliding scale/Open Path time slots.
