

CAPABILITY STATEMENT

R and J Construction 513 was established in 2015 with a vision to enhance the infrastructure of Cincinnati by providing top-tier concrete services. Starting with a small, passionate team and a couple of mixing trucks, we have grown into a **respected leader in the local construction industry, known for our quality and reliability.**

Our mission is to deliver high-quality, reliable, and cost-effective concrete solutions that exceed our clients' expectations. We pride ourselves on our **craftsmanship, attention to detail, and the innovative techniques** we bring to every project. Led by our founder, Rayshan Watley, our team comprises experienced professionals who share a commitment to excellence. Our project managers, skilled workers, and administrative staff work in harmony to ensure every project is executed flawlessly.

We specialize in providing superior concrete services for both residential and commercial projects across Cincinnati, Ohio, and are dedicated to building **strong, durable structures that stand the test of time.**
