Dear Potential Sponsor:

The Rise Baseball Program supports the efforts of young men striving to learn and grow athletically. They are challenged on and off the field with high levels of conditioning programs to help them maximize their physical skills. Your participation in our program will help build partnerships that make a difference in their daily lives and future college goals.

Rise Baseball NJ program is a 501(c) (3) non-profit organization that allows young athletes to grow, learn, and succeed. Our team includes young athletes aged 13-16 competing locally and out of state. As you are aware, most non-profit organizations can only operate with sponsors' help.

Your donation for our sponsor t-shirt program is tax-deductible (#93-2952070) and will go directly towards purchasing uniforms, equipment, and the goal to obtain a facility. During our fundraising events, the athletes and coaches will wear the shirts. In exchange for your donation, Rise Baseball NJ will be pleased to recognize your business in the following manner:
