

Dear Community Partner,

2026/2027 School Year

One Friday morning, a Putnam County elementary teacher, arriving late to school, saw one of her students walking along busy Highway 17. She stopped and asked why she was walking. The child replied, “I missed the bus, and I need my food bag to take home this weekend. My brother and sister need food.”

Thanks to generous donors like you, Feed the Need of Putnam County makes a difference in this child’s life and the lives of more than 800 food-insecure children every weekend. That’s 125,000 meals, plus snacks and drinks, provided over the weekends each school year.

Feed the Need of Putnam County is proud to supply Putnam County Schools with food pantries that send food home every weekend.

We have the full support of the Superintendent, School Board, Administration, and school-based personnel. You are invited to become a Feed the Need Sponsor by choosing one of our sponsorship levels.

As we approach the 2026–2027 school year, our fundraising campaign is “**NO CHILD LEFT BEHIND HUNGRY.**” This campaign replaces our annual gala and will serve as our primary effort to ensure no child goes without food over the weekend. We cannot continue our mission without donors like you.

The need is real. The impact is immediate.

Thank you for your unwavering support!

Gratefully,
Denise Bramlitt Executive Director
and the Feed the Need of Board of Directors
