**Heavenly Father,
Thank you for this beautiful day and for the chance to celebrate the men who have shaped us. We lift up every dad, stepdad, mentor, and spiritual father, strengthen them, encourage them, and remind them that their work matters. Thank You

To my friends at Edinboro UMC: THANK YOU !!

What a beautiful sendoff you gave me as we wrapped up my time of ministry with you and 38 years in the pulpit! I could not have imagined a more beautiful way to celebrate and give thanks to God for all the blessings! For the pictures (many I had never seen), the very gracious words, the wonderful food, the thoughtfulness of inviting the previous congregations that I had served, family and friends (what a blessing!) and the beautiful gifts; words cannot express my gratitude. Kathleen and I are planning to put the picture of Edinboro Lake in our living room and are looking forward having time together at the Playhouse and the Erie Philharmonic! You have been, are, and will continue to be a blessing to me and to those whom you meet. My family and my friends who attended shared with me how very much they felt welcomed by your hospitality and felt included in the Edinboro family when they were with you.

Please know that I will always hold you in my heart and prayers; especially as you transition into a new season of ministry with Pastor Pam. God brought us together and blessed us in our walk together. I wonder what new and powerful blessings God will bring to you and Pastor Pam in the new season of your life!

God's blessings and peace,

Pastor Ed

**SUMMER 2026
HERSTORY IV
Fear, Faith, and Women in
the Salem Witch Trials
Sundays, July 12, 19, 26
5:30 p.m. - 7 p.m. (Offered as a
Hybrid - Zoom & In Person)
Instructor:
Dr. Jerra Jenrette**

During summer 2026, Jerra Jenrette, retired professor of history, will take interested folks on a "virtual" trip through the history of the Salem witch trials. These trials occurred during the 17th century when neighbors and family members launched a series of witchcraft allegations against people in Massachusetts Bay Colony (MBC).

Founded in 1630 by Puritans seeking religious and economic freedom, MBC leaders sought to establish what was essentially a theocratic government. Beginning in 1688, the small town/village of Salem, Massachusetts, became the focal point of the "American" witch craze. This course will examine the role of fear, faith, and women in this infamous/famous period in our history, considering the impact (short-long term) as well as how it reflected broader and deep themes in the development of this nation. During 1692-93, twenty people were executed and four others died awaiting trial, while 150-200 people were accused of witchcraft in a community whose population was 600!

During her academic career, Jerra taught several courses on the Salem witch trials, the European witch craze, and took students to visit historic sites in Salem and the surrounding area for over twenty years.

Please sign up in the Narthex or email the church office
(office@edinboroumc.org) if interested.
