*CALL TO WORSHIP (*Flames of the Spirit, Ruth Duck*) *Gert Myer*

One Voice: We come to hear the story of God's faithfulness to past generations.

Many Voices: But we are looking to the future, not the past.

One Voice: Our God is also God of the future, the God who was with our ancestors will be with us as well.

Many Voices: Then we can go forward in hope. Whatever else fails, God remains faithful. Nothing can separate us from the love of God! Praise be to God!

PRAISE SONG "How Great is Our God" 3003

*OPENING PRAYER *Gert Myer*

Compassionate God, when we contemplate the self-giving love of Jesus, it makes us realize how much we need to grow. Come to us, and purify us with the fire of your Spirit, that we may praise you forever and walk in your ways, through Jesus Christ, the Sovereign One. Amen.

Women Speak of God

About the Course

This course is not just for women! *Women Speak of God* shows how Christians in different cultures, different time periods, and different social locations have told their faith stories. Amy Oden, professor of the history of Christianity and dean of Wesley Theological Seminary in Washington, D.C., presents video lectures on six Christian women who wrote about their faith. The workshop explores how we, as members of the Christian family, tell our "family stories." It also helps us to examine our own faith and to articulate our own experiences of God.
