Your Dog is IMPORTANT to Us! Because we care about your dog's safety and well being, we want to assure you that every effort will be made to make your pet's visit as pleasant as possible.

Occasionally grooming can expose a hidden medial problem or aggravate a current one. This can occur during or after grooming. If your dog is **severely tangled or matted**, it is at greater risk of injury, stress and trauma. All precautions will be taken. However, problems occasionally arise during or after grooming such as nicks, clipper irritation and mental or physical stress.

In the best interest of your dog, we request your permission to obtain immediate veterinary treatment should it become necessary.

**I hereby grant permission to Ashland Doggy Daycare to obtain emergency veterinary treatment for my pet at my expense. Also, realizing that matted pets have a greater chance of injury during grooming, I will not hold Ashland Doggy Daycare responsible for accident or injury to my pet. \_\_\_\_\_ (Initials of owner)**
