

Memo

To: ALL UHL PLAYERS and PLAYER AGENTS

From: The UHL Commissioner

Date: 5/4/2024

Re: BLOCKBUSTER TRADE BETWEEN 4 TEAMS

*****FOR IMMEDIATE PRESS RELEASE*****

12:09am MST – 9:09am, UST

Please be advised the UHLPA has just announced a multi-player trade between all four teams. After 7 hours of negotiations, 2 beers (each), the UHLPA along with the Office of the Commish have unanimously agreed to a multi-player **effective immediately**. As per Clause 9, Section 2, Subsection 4, Paragraph 11 of the UHL Players Handbook, the UHLPA made a proposal to the Commish that was designed for team equality, age-if-icaition (not a real word), and overall goodness for the League that a total of 11 players be traded. The trades are as follows:

TOM KNAPIK
DAVE MCMILLAN

THE PEROGY POUNDERS

DMYTRO SHRAIER
MAX GELETTA
YEHOR SHRAIER
MARK PATRICIAN

THE BORSCHT BOILERS

MIKE SIROISHKA

COLIN CRAIG

OWEN BUCK

ALEX BABICHUK

EMILY BABICHUK

Upon review of this unprecedented trade, the UHLPA and the Commish, felt this trade will in fact create unparalleled shockwaves over the World Wide Web. Therefore, this trade of 11 quality players will not be announced to the public as this Memo will create enough disruption to the League as it is. While salaries were considered, the overall net financial results achieved each team's Salary Kap with the Borscht Boilers having a slight edge with an extra \$3.76 in Kap Space.

As all players know, over the past 25 years, the UHL has an objective to create parity, fun, and non-competitiveness. The captains involved felt this ground-breaking trade was necessary to give each team a better chance at winning the coveted Cossack Kup.

All players in this trade must report to their new Captain on Sunday May 5th to be assigned their duties on their new team. We trust that all players involved in this trade will not disclose their previous teams' strategies, secrets or plays to their new team. We wish the best of luck to all players involved, and we hope that each player will bring their respective game to the table.

The Commish of the UHL signed off on this deal late last night at approximately 1:22am MST and agreed to this proposed Trade.

Regards,

The Commish

The UHL Commissioner.
