CABBAGE ROLLERS WIN IT AGAIN!

UHL Statistics Division- With 64 fans in the stands, they witnessed the impossible. They saw the Cabbage Rollers win the Cossack Kup!

This was no ordinary win, nope, it went to a 3 on 3 overtime for two minutes, but even that wasn't enough time. It went to three rounds in a shootout where they saw Brady Salwach score the winning goal. Salwach, who was tied for second on his team with the other Salwach, Ben Salwach, nope not their dad, Mike Salwach... he was waaaay behind them in the scoring race,

Brady was the only player to hit the twine in a nail-biting finish.

UHL takes Legal Action against Messi & FIFA for Kup Infringement

Argentina – According to the UHL Guveners, following Argentina's win over Egypt on Tuesday, Lionel Messi was seen on the sidelines hoisting the UHL's coveted Cossack Kup.

Officials say Messi chose to hoist the Cossack Kup over FIFA's World Cup Trophy after the win hinting that he is the Champion of Soccer and apparently Hockey. The bigger question is how did Messi get the Kup? Insiders say Messi contacted the UHL Commissioner's Office on Sunday offering the Commish \$1.45M to ship him the Kup with no questions asked.

According to the UHL's Legal division, spokesperson Tyler Shandro stated "*we have no comment at this time, however we are looking into bank records and fax transfers of the Commish to neither confirm or deny these allegations. We will provide an update once we have completed our investigation*". The Commish was not available for comment.

WHO WILL OFFER TO HOST? LOOKING FOR THE SEASON-ENDING BBQ LOCATION

UHL Entertainment Division – The UHL Entertainment Division (“UHLED”) is searching for a Host to have the Season-ending UHL BBQ which includes the Awards, and Official Cossack Kup presentation.

If you, your neighbor, your parents, or even someone you don't know is willing to host the UHL BBQ, please let the Commish know. We would like to host this on a hot sunny day before everyone is gone for the summer.

Being the host doesn't require much, just a BBQ and the UHL brings the rest. Well.... wait, we would need access to washrooms unless you have big trees in your back yard for easy use.

PLEASE LET THE COMMISH KNOW IF YOU ARE WILLING TO HOST THIS YEAR!

Trump missing after he signed an Executive Order for UHL

Washington DC – The photo recently taken at the Whitehouse of Donald J. Trump signing an Executive Order related to the UHL shows UHL Guvenors looking on in amazement that Trump signed the Order.

Following the photo op with the President, the UHL Bored of Guvenors had unanimously agreed to take Mr. Trump out to McDonald's, which is his favourite fine dining restaurant, for lunch where Trump was last seen. Onlookers at the grease-pit of a restaurant noticed the President choked on a fry and collapsed. The Bored decided it was best to dispose of the President in the rear dumpster where he would never be seen again.

Mission accomplished.

UHL CONSIDERING FORMAT CHANGE

UHL Player Division – The UHL Players Association has had behind closed doors meeting discussing the nature of the game, the speed, and overall fun being had by all. This means that a change in format is being considered.

UHL veterans (**+51**) have noticed a significant swing in play on and off the ice. Today's game brings younger players, faster skaters, and its not fair to the old guys. These old guys are not interested in utilizing a Defibrillator (AED) after each game, they are more interested in a cold Pilsner and a Crock Pot of Perogies over gasping for air and nursing wounds.

Discussions are early, but there are thoughts of holding weekly games whereby the under 50 play against under 50 in a speedy, goal scoring match, and the 51+ play against each other in a more entertaining match that is slower, more UHL-style, and full of laughs.

More details to come as they become available by the UHLPA.

DEMCHUK DOES IT AGAIN!

MISSION CONTROL – It seems that year after year James Demchuk knows how to put the puck in the net.

For the third straight year, Demchuk has won the Rokit Richardski Trophy by scoring 20+ goals a season. While Demchuk has never taken the actual Trophy home because organizers can't seem to get themselves out of a wet paper bag, he has done the impossible. Not even UHL legend forward Greg Demchuk has been able to pull this off.

Following the Cossack Kup game on June 28th, the Kubie Krushers star was nowhere to be found after his team didn't win the coveted Trophy, losing to the Cabbage Rollers in a stunning shootout.

In a statement from Demchuk's agent, "**Mr. Demchuk will not make any comments at this time, and we ask you respect his privacy while he wonders what went wrong in this game. Mr. Demchuk vows to be back in 2027, not only to win the Rokit Richardski Trophy, yet again, but to lead his team to the championship and hoist the trophy once and for all. We'd like to thank the UHL for making him the player he is today, and if wasn't for the Commish and his scouting team, he would be just a regular UHL player waiting for his chance to play for it all**".

James Demchuk's Hockey Cards will be available on the UHL Website once the Fax Machine is fixed
