Treasurer Report – Updates and Issues:

1. Golf Registration is online and active, visit our website at www.wmacp.org to sign up or download a flyer to send in. Retired Chief Tom Korabik has taken a very active role in helping with the event this year. At his request I have made a “hard copy” registration form that he is going to bring with him to the summer MACP conference. His goal is to visit all the vendors to get some support and hopefully some sponsors. Currently we have (1) Team that has already signed up so fingers crossed this push will solicit some interest.
2. I met with Lynx and have all the contracts signed and the deposit made for the golf event which will be on August 2nd, 2024.
