

Free Store

The Free Store received two grants! \$7500 from United Women of Faith and \$2000 from Lee Initiatives.

Thanks to the two organizations for their generous gifts supporting this ministry.

During May we are asking for donations of deodorant for the Free Store.

Spring Fundraiser

It is spring and it is time to bring some color and beauty to your home. Both Grove and Homestead churches are selling Stuver Nursery coupons. Baskets - \$19 and \$14.50 for flats of annual flats. You can beautify your home and support your church at the same time! Donna Bako and Doreen Zettle have the coupons.

Mission Impact 2025

Thanks to everyone who donated hand towels for the health care kits to be assembled during annual conference. We were able to provide towels for 157 kits!
