Our Values

As a long-standing family-owned business for three decades, Art by Liz embodies a set of core values that guide our work in providing a spectrum of corporate art services. Integrity, honesty, and transparency are at the heart of everything we do.

We work to build meaningful relationships with our clients.

With a deep-rooted sense of community, we are proud to support local artists and contribute to the arts community in Knoxville.

Our Process

We offer comprehensive corporate art services tailored to your needs and preferences. Whether you require end-to-end art consultation, selection, printing, framing, delivery and installation or prefer individual services, we have the expertise and flexibility to accommodate your needs.

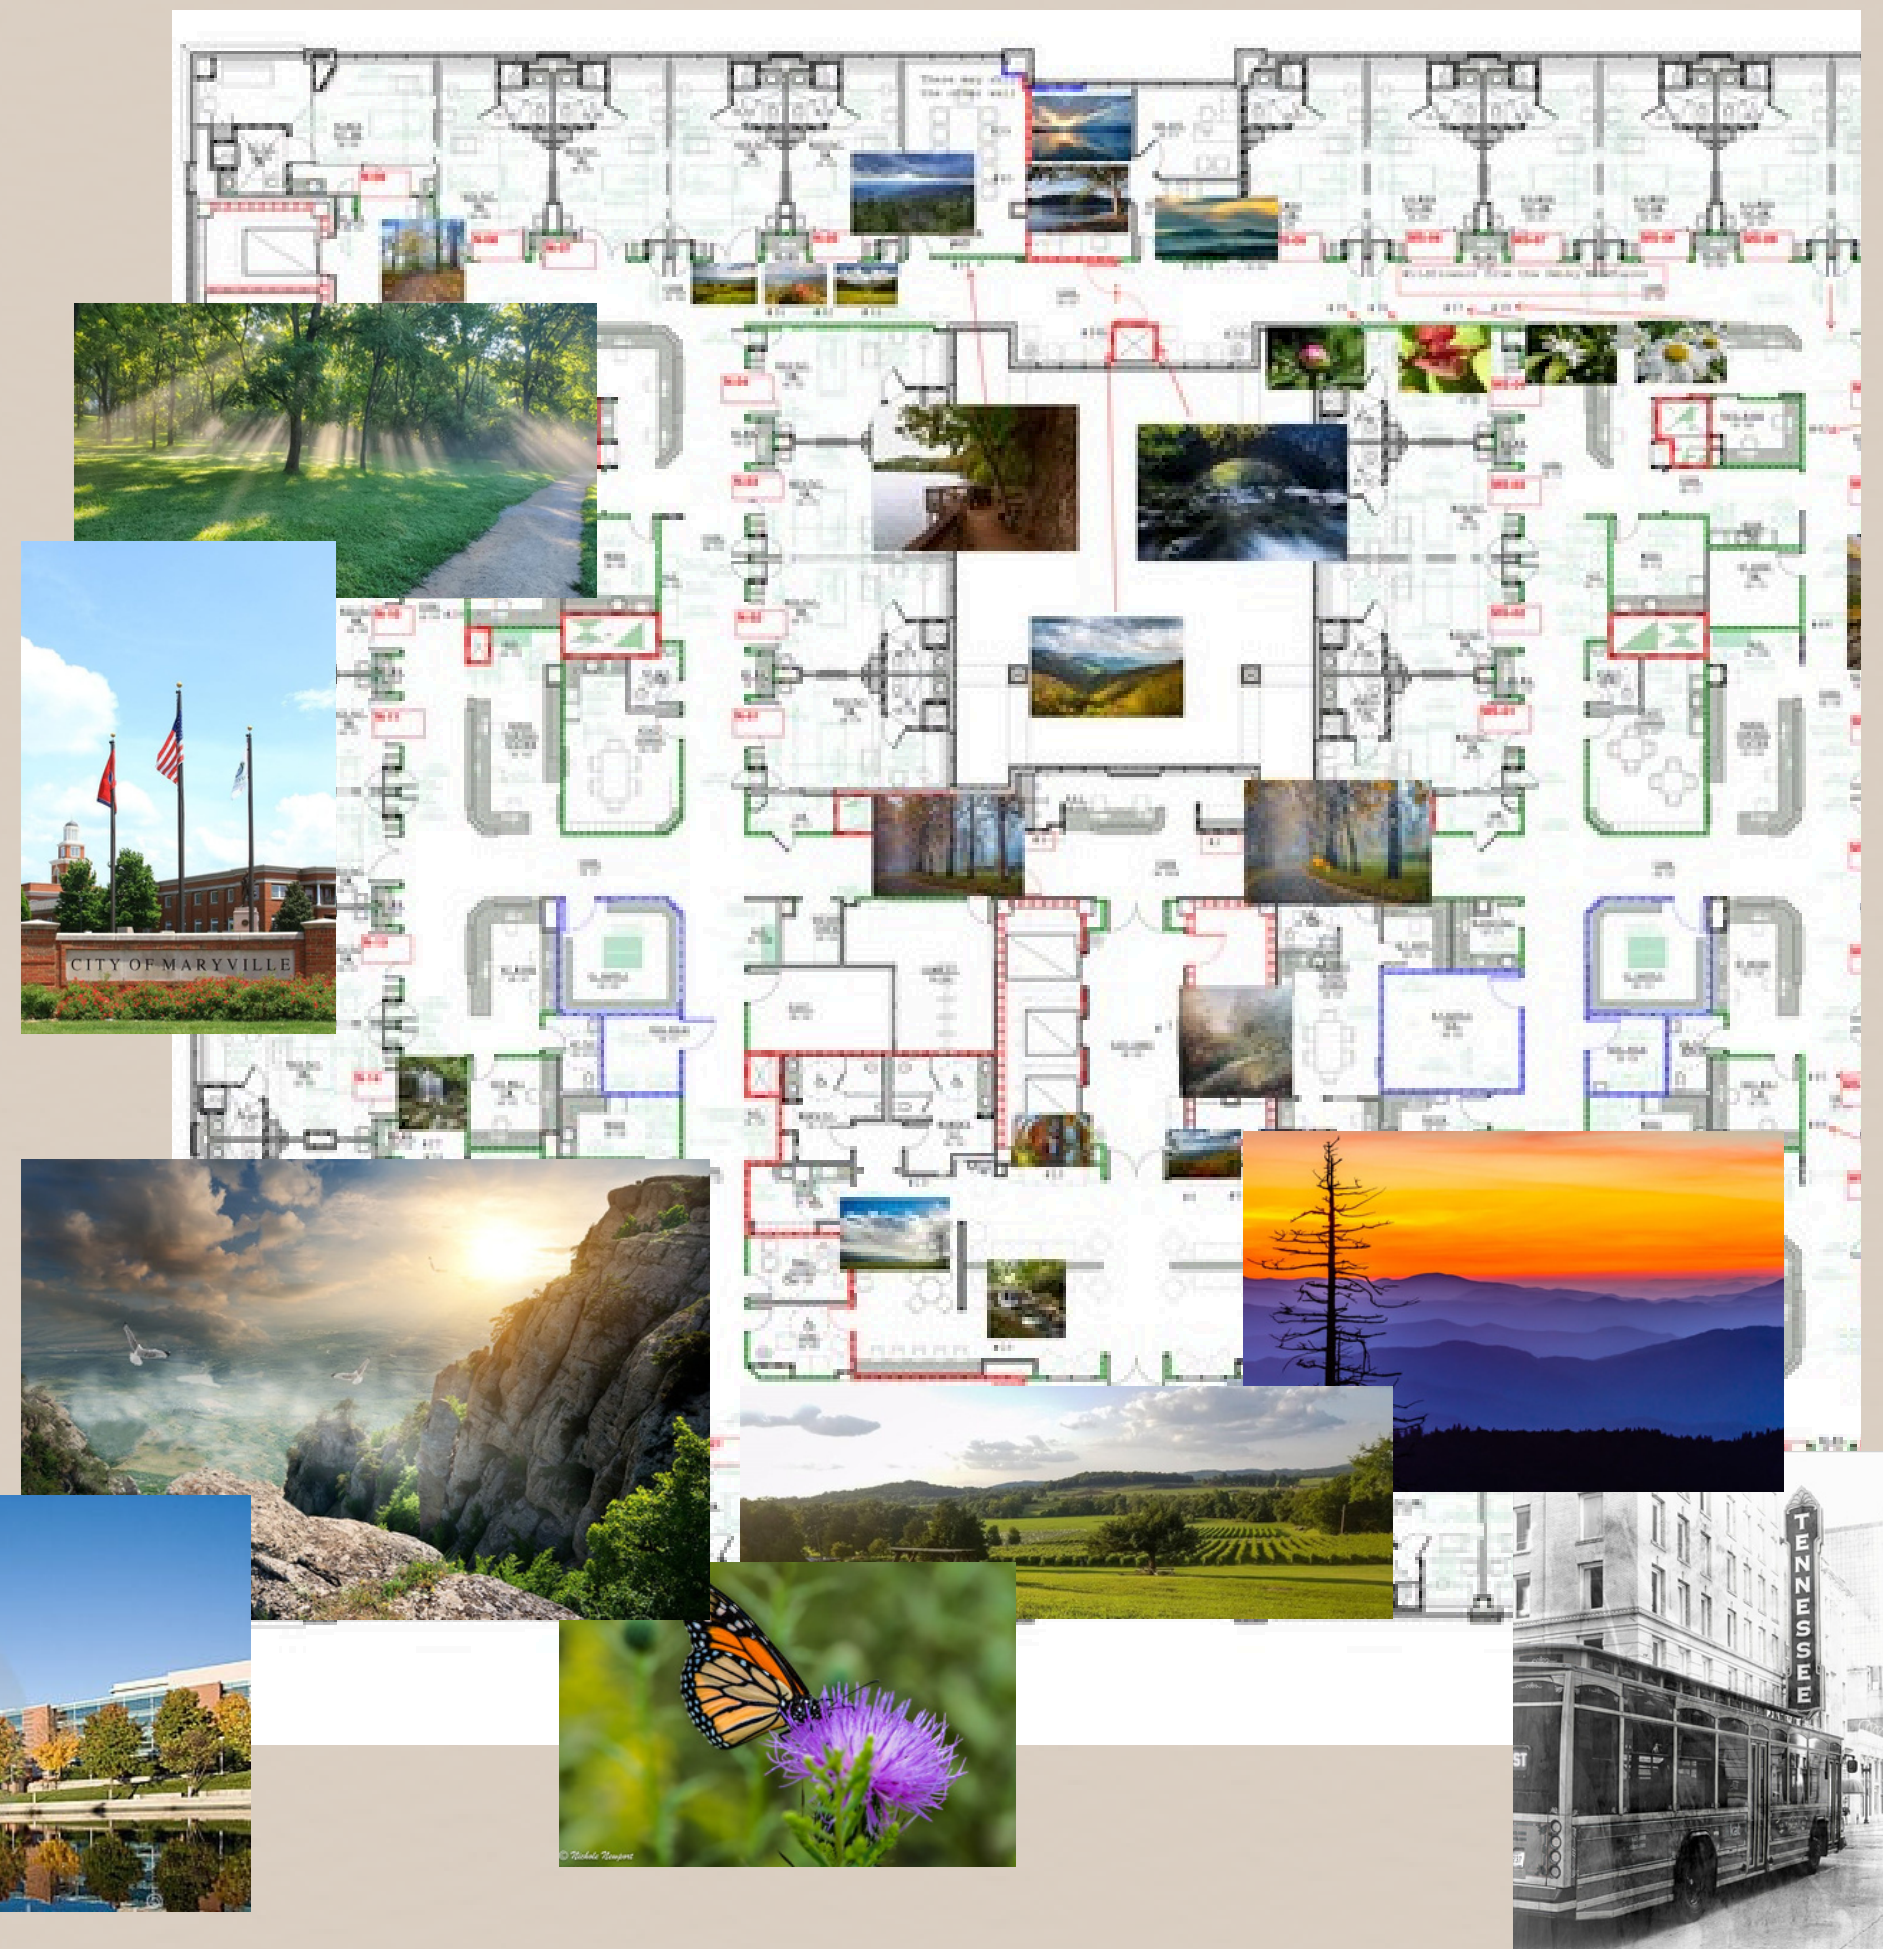

Whether curating a cohesive set of pieces aligning with your brand identity or expert framing and installation, our experience is seamless at each step.

From turnkey solutions to specific services, Art by Liz is your partner in the process.

Art Selection

We will use your color swatches and fabric samples to create various artwork options that align with your design framework. Also, we will be sure to provide an installation plan that outlines the specific placement of the artwork in your facility.

Our expertise lies in identifying locations and designing industry-specific images tailored to your clients' needs. There is no better way to showcase a client's story than by creating an environment with images that reflect their work.

Custom Printing

Art by Liz, has provided cutting-edge digital technology services to a wide range of artists, photographers, and illustrators in Knoxville and across the country for over 25 years. Our extensive experience working with artists has refined our printmaking process and improved our communication with our clients, enabling us to accurately recreate their artwork in fine art print with the highest possible fidelity.

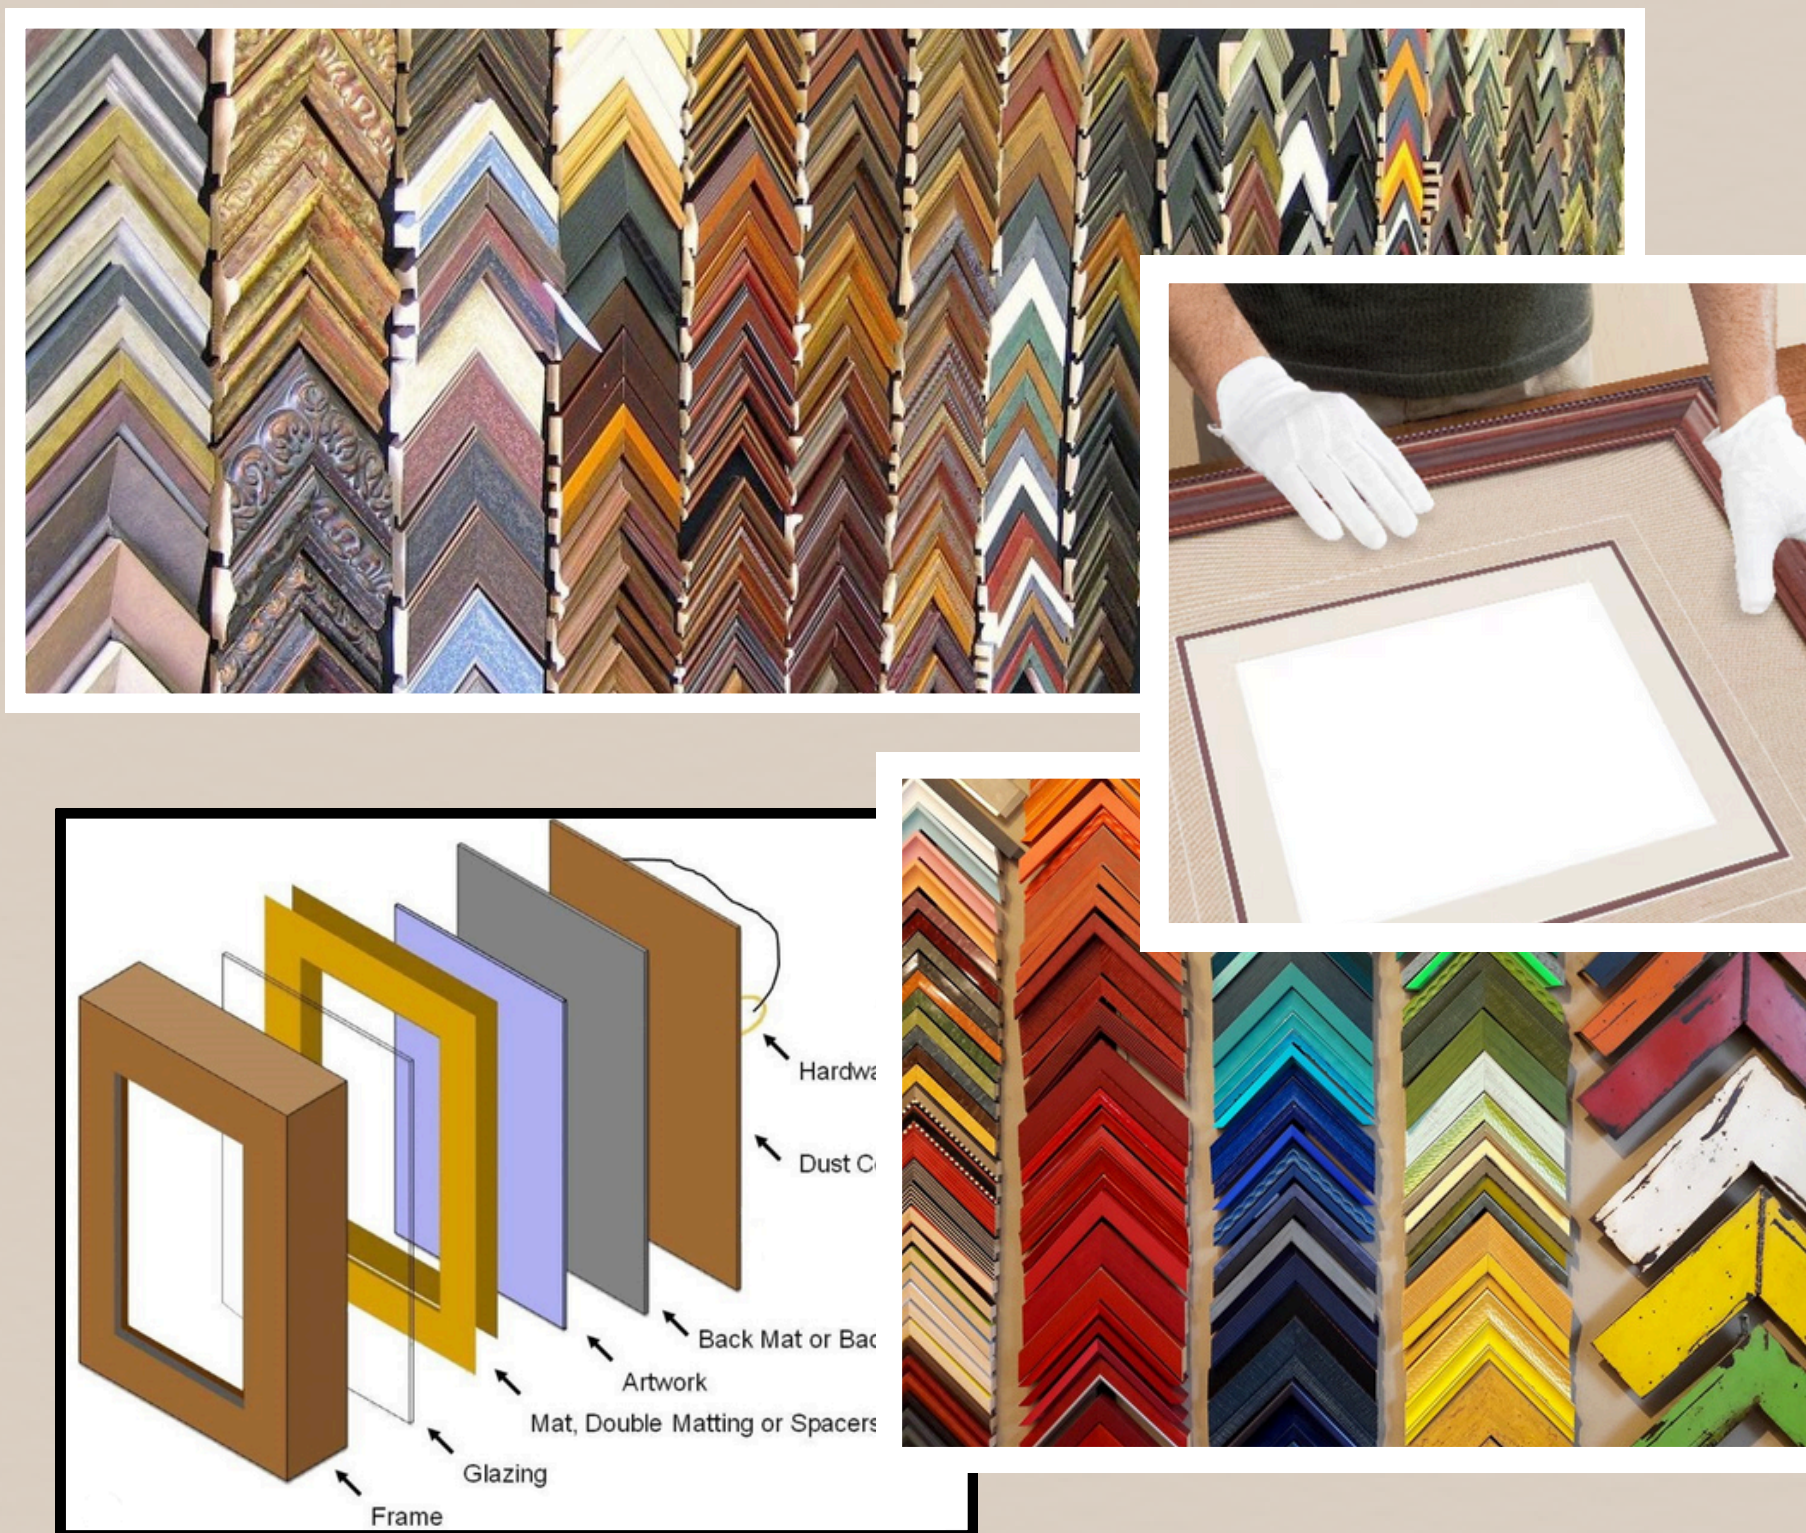

At Art by Liz, we offer complete archival fine art print services, photo reproductions, and large-format printing to meet all your printing needs.

Custom Framing

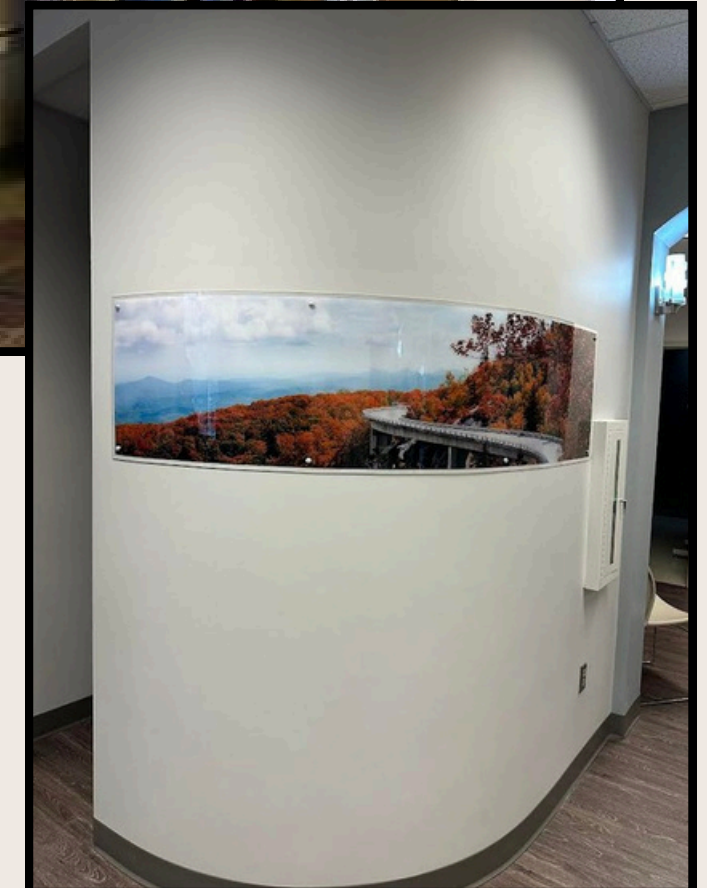

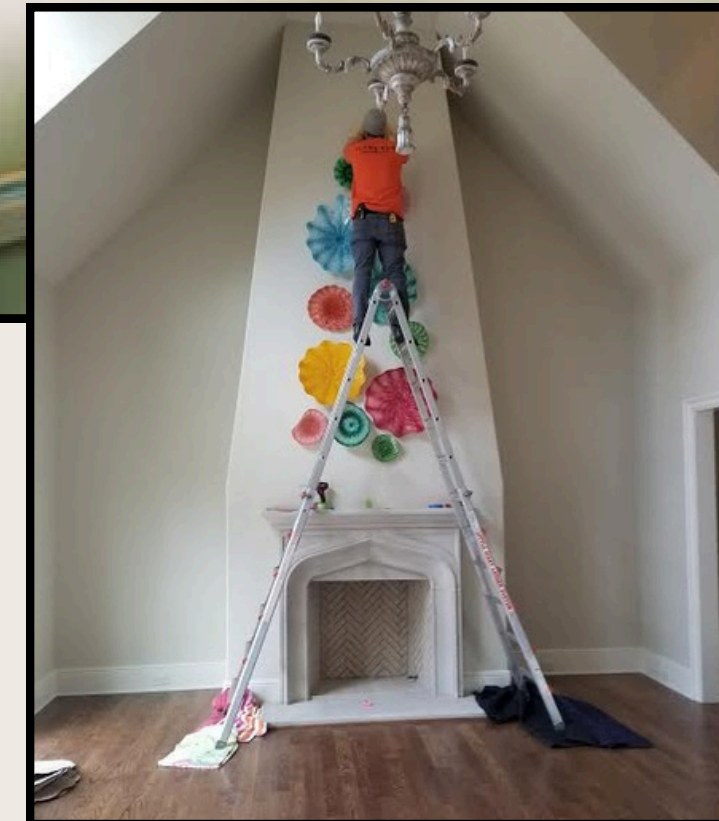

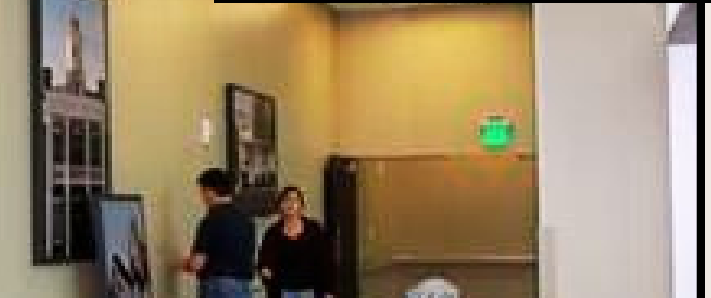

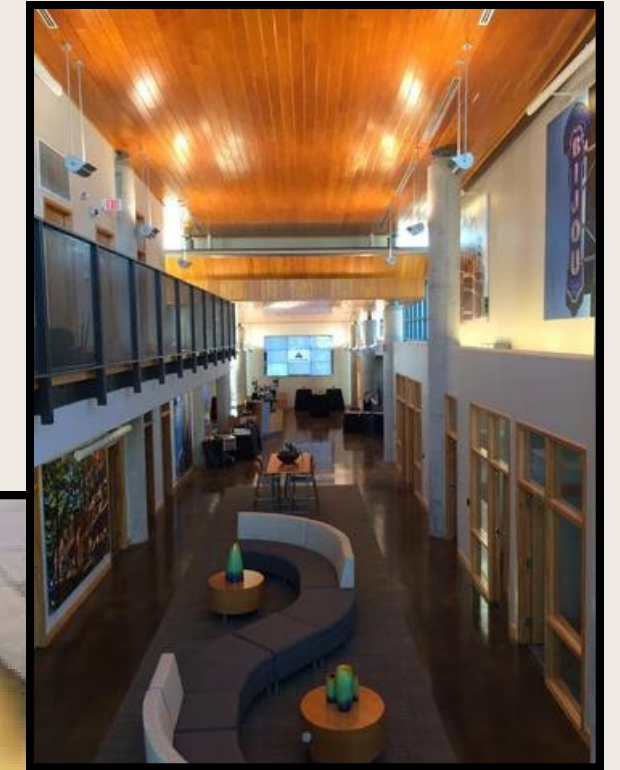

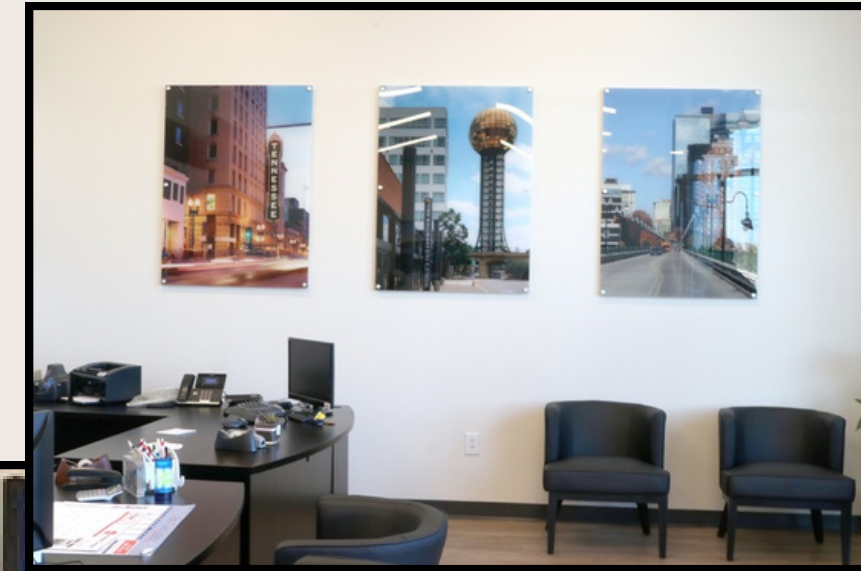

Framing is the best way to showcase your pictures, posters, one-of-a-kind artwork, and prints. Working with our professional staff and Master Framers will ensure your clients get the highest quality at the best prices!

We offer various picture frames, shadow boxes, Display cases, archival and conservation framing, and more.

Delivery and Installation

Once the artwork selections are made and the layout is approved, our experienced team will produce the framed units, deliver them to your space, and expertly and efficiently install the entire project, whether regular or security mount. Art by Liz is always on time and on budget.
