

# Operation Wildfire: Good Things Happen When YOU Vote

---

May 8, 2025

## The First 100 Days

Operation Wildfire decided to take a different tack on President Trump's first 100 days in office. Instead of repeating what hundreds of media outlets reviewed as his accomplishments and/or defeats in these early days, we looked at things the Democrats said would happen in a Trump presidency as well as what Donald Trump promised prior to his election.<sup>1</sup>

Here's a quick review of things predicted that were not done by President Trump and his Administration.

### Our Rights

- End American democracy;<sup>2</sup>
- Declare martial law;
- Rip away freedom from hate; freedom from fear; and, freedom to control our own destinies;
- Build concentration camps for those who disagree;
- Eliminate the right to protest;
- End freedom of speech;
- Roll back voting rights,
- Eliminate early voting; mail ballots and all future elections;
- Ban books; and,
- Tell people who they can love.

### Healthcare and Social Spending

- Pass or issue a nationwide abortion ban;
- Repeal ObamaCare;
- Dictate women's healthcare decisions;
- Eliminate prescription drug coverage;
- Eliminate mental health care for children;
- End opioid treatment;
- Cut Social Security, Medicare and Medicaid;
- Cut veterans' benefits; and,
- End cancer research.

### Foreign Policy

- End NATO;
- End the war in Ukraine;<sup>3</sup>
- Allow Vladimir Putin to take Ukraine;
- Launch the largest deportation program in history;<sup>4</sup>
- Restore the travel ban;<sup>5</sup> and,
- Build a hotel in Gaza.

### Judicial System

- Terminate the Constitution;
- Ignore the Supreme Court;
- Call off the lawsuit against Meta;

## Operation Wildfire: Good Things Happen When YOU Vote

---

- Prosecute his enemies;<sup>6</sup>
- Jail journalists;<sup>7</sup> and,
- Harness federal prosecutors into political dirty work.<sup>8</sup>

### The Economy

- Implement a national sales tax; and,
- Reform the auto industry.<sup>9</sup>

In these past 100 days, Trump worked feverishly to rewrite American policy on immigration, dismantle and restructure many government institutions and exert an amount of executive power that is unprecedented in recent times.
