Dear Sir,

LETTER OF SUPPORT

I congratulate your social enterprise Asian Heritage Sdn. Bhd. (AHM) in taking good care of government-owned premier heritage site Carcosa Seri Negara since you took over in April 2017.

You have done a lot at your own costs by repairing the ground floor of the two national heritage buildings and maintaining the entire 30-acre government-owned site for the public to visit this historical site. You have also organized the highly acclaimed non-profit and patriotic Jalan Merdeka Exhibition in collaboration with five federal government-related agencies.

As the FT Minister, I wish to express my full support for the proposed idea of APAC Park Project at Carcosa Seri Negara in accordance with Government Guidelines, Regulation & City Plan.

Thank you for your effort to make Kuala Lumpur a world-class city of peace and cultural diversity and tourist destination.

Yours sincerely,

(TUAN HAJI KHALID ABD. SAMAD)
