Clinics

## **Tattoo Removal**

**POC**

**Non Laser** - Using a natural saline product to naturally lift out the pigment from the skin.

**Laser** - A laser light energy is directed into the tattoo particles within the dermis of the skin. The ink is broken into smaller pieces for the body to naturally flush away over the next few weeks

Both are available for unwanted Cosmetic Tattooing & also body tattoos - Courses are advised and discounts are applied for course bookings. Consultations are needed to price accurately

## **Anti Wrinkle Injections & Filler**

**POC**

Weekly clinics from our registered nurse to help you with unwanted lines and wrinkles or giving the lips a fuller appearance with the use of dermal filler
