XI. Principal Points (Dr. Bailey)

- a. Update on Chords
 - i. All three TISD high schools got together to make a chart identifying activities that are eligible for a chord. It will be the same across all TISD schools if the activity is offered at each school. The activity must happen on the school campus. Key club, speech and debate, earned through being at TMHS, touched base to ensure the colors are different, now have French honor society, silver star officer and band, not allowed NCL, can get service chord through same hours. Medallions? Will look at other specific questions. In the past it was for all 4year silverstars service. In past clubs can not do letter jacket, they now can but officer must come up with guidelines. Only thing excepted is NHS but you already had to qualify to be in NHS. Like Band those that are in it all 4 years, but then leadership positions. Right now band orchestra and drill team officers. Class officers can get chord. The goal is on the program it will have the key on the back identifying what each color stands for. Top 10% some medal some chords.

XII. Other Business

- i. Student Reward pep rally on 24th in the afternoon must have completed fasfa, and classes for next year, no tardies or behavioral issues to attend and participate.
- ii. We need to look into the bylaws and see if the Awards and Scholarships line in the budget is required by TISD.

XIII. Old Business

- a. Mrs. Nix still need 2 women to counselor student each week (Amber camberilo & Tracy Fletcher reached out to her but did not hear back)
- b. National Merit Scholars – semi 1-4 and recognition Lashell will have that number Recognition could be up to 50 (there is also commended) (TMHS PTO has awarded \$20 Amazon gift cards in the past they could use towards buying college items) Daisy will get these numbers from Ms Donovan so we can decide how much PTO can reward.
