

# When Things Go From Bad to Worse

Exodus 6:1-4

What to Do?

## 1. You have to understand the devil only attacks what God anoints!

There are two kinds of people in the church:

- Those that are coasting
- Those who are Holy-Ghosting

## 2. Learn to adapt better to the disappointment and setbacks of life.

Brokenness causes us to :

- |                                 |  |
|---------------------------------|--|
| - Quit                          | - Harden our hearts                      |
| - Run                           | - Make bad choices                       |
| - Give up                       | - Stop listening to our spiritual leader |
| - Isolate                       |  |
| - Go back to where we came from |  |

Your personal setback could be God's way of a spiritual setup!

## 3. Trust in God who makes covenants and not contracts.

Contracts – Temporary agreements based on self interest to protect yourself because of distrust

Covenant - Permanent agreement based on sacrificial love, loyalty, forgiveness, and mutual trust

God will never break his covenant with you. He appeared as the one who not only made the promise, but Jehovah who fulfills the promise. (v.3)
