Trustees

Katy, Sondra, and Cathy are registered and set. Phew!

Lucy resigned as of February 1st

Library Facilities/Infrastructure/Mandates

- We STILL need to finalize the MOU. I reached out to Judy.
Rob will bring forward at the budget hearing next week.
- Brackets are done. Covid and the cold have not allowed for installation.
Eric had covid so they didn't get put up.

Library Financial

- Nothing new.

Koha

- I am officially ready to start teaching people!
- To barcode and scan books
- It will take days and weeks and months before the library is all coded.
- I have found someone to help on a regular basis, at least for the short term. I'm not sure I can train her as a sub, but she's good at data entry. I'd like to pay her out of Special Projects. Volunteers are always welcome, too.
- Jane Camarda is very good at data entry
- Sarah is back and will sub with notice 1 day per week.

In house programming

- Free test kits have been a huge success. I will keep sourcing more.
- Have given out hundreds to People who drop in as well as schools, the town office, and churches to distribute to low income and non drivers.
- Also have some KN 95 masks.
