

Kids will always need ... you.

And so do we.

On the front lines of the pandemic, we remain vigilant in continually providing families with the care and reliable information they need into the new year and beyond — but we need your help. Making Wisconsin's kids the healthiest in the nation continues to be our ongoing vision, no matter what.

Kids deserve the best.

Thank you to our generous partners

At Children's Wisconsin, our vision is that the kids of Wisconsin will be the healthiest in the nation. This is a powerful vision — and one we can't accomplish alone. That's why we partner with corporations, foundations and organizations that care about Wisconsin's kids as much as we do. We are grateful to the following organizations who helped us help kids with cash gifts of \$100,000 or more in 2019-2020:
