Daiquiris and Real Fruit Margaritas

ADJUST MY ATTITUDE - The original taste with fruit juices, oranges, 190, Vodka and Clear Rum.

BANANA - Don't let the rum sneak up on you in this refreshing tropical drink!

CRAZY DAVE'S - Dave's own concoction of Blueberry, Blue Curacao, Pineapple and other secret ingredients. 190 and Vodka.

FUDGESICKLE - OMG Great drink anytime. Perfect before or after dinner. "A Chocolate Lovers Dream." 190 and Vodka.

WATERMELON - Nothing is more refreshing than a cold watermelon on a hot day, an absolutely refreshing and fun drink.

STRAWBERRY - A perfect blend of fresh berries. A hint of lime juice and Clear Rum.

SECRET PASSION - Real grape juice and other tropical juices blended with Clear Rum and Dark Rum.

WHITE RUSSIAN - None like it in these parts. 190, Vodka and Brandy. I'm smooth, but I have a kick.

PIÑA COLADA - A taste of fresh coconuts with a touch of pineapple juice, Clear Rum and Brandy. Very creamy.

PREMIUM MARGARITAS - The original. Fresh limes, lemons and agave blended with Sauza Gold and Premium Tequila. So smooth.

WORM BUCKET - A perfect blend of a Southern Summer icon and island flare that will certainly give you what you need on those hot summer days. Includes a worm treat inside!
