

FOOD DRIVE

Hello!

Thank you so much for being interested in hosting a supply drive for the TOC Food Pantry! We would not be where we are today if it was not for the generous support of our community and people like you. Supply drives provide us with the much-needed items, gift cards, and funds we need to continue providing hunger relief to families and individuals in need.

Only Three Easy Steps!

Step One:

- Contact services@theoutreachconnection.org to let us know that you would be interested in hosting a drive. From here, we can provide you with any more information if needed.

Step Two:

- Get the word out and collect!

Step Three:

- Contact us one last time to coordinate a specific day and time, during our open hours, that you would like to drop off what you have collected!

SUPPLY DRIVE THEMES

Get Creative!

**Consider adding a theme to your supply drive,
and make it your own!**

- Themed Drives:
 - Taco Tuesday
 - Soup-er Bowl
 - Hunger doesn't take a summer vacation- collect breakfast and lunch items for children who normally receive these meals at school
 - Spring Cleaning: Collect items that come from our cleaning section of our wish list
- Fill'er Up, Stuff a bus, Fill a truck, Fill a shopping cart
- Every Penny Counts: The proceeds will help us purchase food items
- The Challenge: Create a challenge, such as Coin Wars, between classrooms/departments to see who can collect the most items

Food Pantry

Our food pantry provides over 2,000 sq. ft of food, cleaning supplies, and hygiene items, as well as baby and pet supplies, depending on availability. The pantry is designed to look and feel like a supermarket. Clients can walk down the aisles and choose the items they need to feed their family up to 2x a month.

Support Services

We understand that finding services may not be an easy road to navigate. We strive to help clients find services in the area that are available to them to help shoulder the burden. Our intent is to help create a stronger foundation to build up from.
