

FOOD DRIVE

Hello!

Thank you so much for being interested in hosting a supply drive for the TOC Food Pantry! We would not be where we are today if it was not for the generous support of our community and people like you. Supply drives provide us with the much-needed items, gift cards, and funds we need to continue providing hunger relief to families and individuals in need.

Only Three Easy Steps!

Step One:

- Contact services@theoutreachconnection.org to let us know that you would be interested in hosting a drive. From here, we can provide you with any more information if needed.

Step Two:

- Get the word out and collect!

Step Three:

- Contact us one last time to coordinate a specific day and time, during our open hours, that you would like to drop off what you have collected!
