LBH Garage Sale

Thanks to the continued leadership of Randi Merel, the LBHNO held another annual garage sale this past Saturday. Eight homes throughout the neighborhood participated with the Neighborhood Organization picking up the cost of the permit and advertising the event.

Modernism Week - A Huge Success!

LBH welcomed over 400 visitors to our neighborhood to tour six fantastic homes during February's Modernism Week. Thank you SO much to our neighbors who opened up their beautiful homes as well as the sixty volunteers who helped us put off a fantastic event!

Read more about our event on our [blog](#) and view more photos on our the [event page](#) on our website.

We are working on plans to host another neighborhood home tour in February 2025 - the 20th anniversary of Modernism Week. Additional details will be forthcoming.

Our newest neighbor

Residents on Compadre and Roxbury have been hearing a very vocal new neighbor. This Great Horned Owl moved in to a palm tree close to the multi-use path on Compadre recently. Photo courtesy of Scott Collins of Owsit Land Trust.

Board Meeting Minutes

CV LINK IS COMING TO YOUR AREA STARTING IN APRIL 2024

NORTH PALM CANYON DRIVE TO E. VISTA CHINO ALONG THE WHITewater RIVER STORMWATER CHANNEL

The Coachella Valley Association of Governments (CVAG) is building the next segment of CV Link in the City of Palm Springs from Highway 111 to E. Vista Chino. Construction crews will construct a concrete pathway along the top of the Whitewater River Stormwater Channel levee.

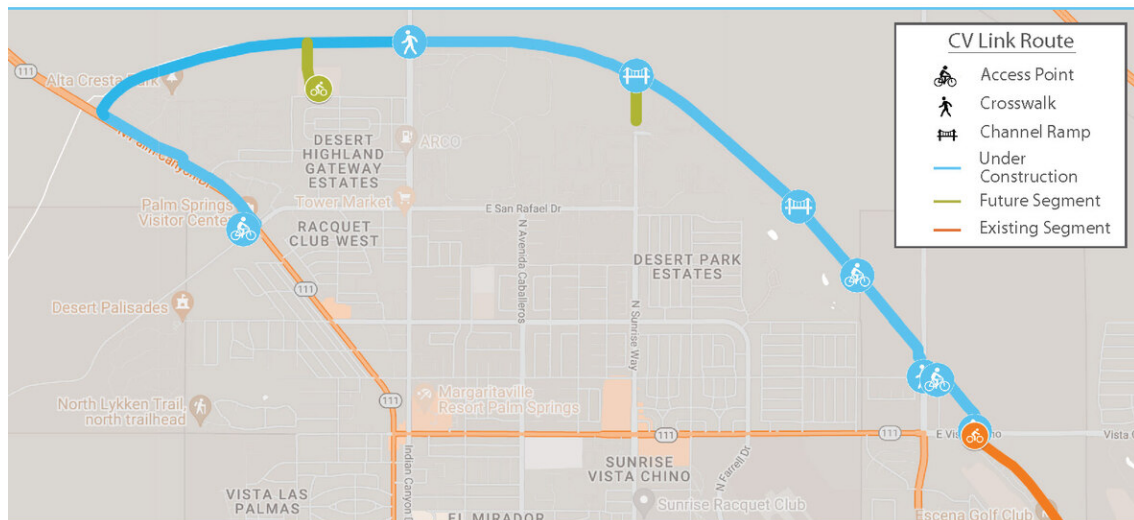

CV Link is a 40-plus mile pathway that is being built across the Coachella Valley to provide a safe route to walk, run, bike or use low-speed electric vehicles, such as golf carts. CV Link is expected to provide significant environmental, public health, and economic benefits to generations of current and future residents and visitors to our valley.

WHAT TO EXPECT

Noise & Vibrations – Residents near the Coachella Valley Stormwater Channel may experience construction related noise and vibrations.

Every effort will be made to minimize any disturbance to the community. Please contact us with any questions or concerns. We appreciate your cooperation throughout this project. Due to the dynamic nature of construction, please note that all dates and times are subject to change due to unforeseen operational factors or inclement weather.
