Re: Saginaw Chippewa Indian Tribe & Jack Abramoff

Dear Tom:

I can't believe it has been over three years since I first contacted you regarding the Saginaw Chippewa Tribe and Jack Abramoff. Now that Mr. Abramoff is going to jail, it seems to be an appropriate time to say thank you for your help.

After having been approached by some of the members of the Tribe with significant concerns regarding Capitol Campaign Strategies and Mr. Abramoff, I turned to you for help.

You will never know how relieved I was when you agreed. You didn't ask for compensation, you didn't hesitate, you simply said, yes. You were the only person who would help.

When I first contacted you we didn't know very much about what was going on. When you sent me the picture of the address of Capitol Campaign Strategies and it turned out to be a Mail Boxes Etc., I knew we were on to something, I had no idea where it would lead.

If it were not for you, Mr. Abramoff and his friends may well still be conducting business as usual. We will never know how damaging that might have been for Tribes, both individually and as a whole.

You will always be an unsung hero to me in all of this. I am proud to say that I know you. I am extremely proud to call you my friend.

Thank you.

Very Truly Yours:
