Sponsorship Benefits

Bringing a sponsor into this Organization simply saves you money and is a great benefit for your player and your player's team. The Organization does not benefit one penny from sponsor money you bring in.

The Rockers follow these rules when a player brings a sponsor into the Organization:

- 100% of the money brought in goes towards that player's dues.
- Once the player's dues are paid in full, 75% of the money brought in goes to pay for the player's team.
- 25% of the money brought in goes to your player's team's budget so more tournaments, lessons, practice time, team parties, hotels, etc. can be purchased

If you bring a sponsor check in, the money that goes towards your player's fees will be deducted from the player's last payment. You still must make your payments on-time before your deductions kick in.

NOTE – Manager's fees, as well as any paid College Coach, will be paid by the Organization.

Organizational Fundraiser

The Tinley Park Rockers will conduct ONE mandatory fundraiser that each family and team is obligated to participate in. The fundraiser is as follows:

Rockers Raffle

The Raffle will take place on Sunday, February 22, 2026.

Each player will be required to sell 20 tickets at \$10 each, for a total of \$200. Families with multiple players will be required to sell a total of 30 tickets. This will be a pre-paid fundraiser, meaning you will pay for your tickets upfront when you receive them, and then any money you collect for tickets sold, you keep. This raffle is for cash prizes.
