## Humphreys County Care and Rehab

**A Skilled Rehab Facility**

**"I liked coming to therapy every day so I could get stronger and go home safely. I am much better now than when I came."**

## WHY CHOOSE HCCR?

---

- According to Medicare.gov, our patients are more likely to meet or exceed expected outcomes and return home upon completion of therapy.
- Below average re-hospitalization rate.
- Staffing ratio that exceeds industry standards.
- Rehab wing is staffed with registered nurses 24 hours/day, 7 days/week.
- Built in 2019, our facility offers spacious rooms with modern decor and conveniences.
- Nurse Practitioner on call 5 days/week and on-site 2 days/week.

## AMENITIES

---

HCCR's rehabilitation wing offers all private rooms with private baths at no additional charge to patients. Every room contains a flat-screen television with free cable and wifi. Telephone service is available in every room.

## PAYMENT

---

HCCR has contracts with most insurance and managed care programs, including Medicare, Blue Cross Blue Shield, Wellpoint, UHC, and others. Our experienced billing staff will work with your insurance company to make sure you receive all benefits available to you.

”

**Anytime I need  
anything, the staff  
are right there to  
assist me!**

“

## THERAPY

---

HCCR offers physical therapy, occupational therapy and speech therapy up to 6 days/week. We offer both outpatient and inpatient therapy in our state-of-the-art rehabilitation gym.
