

SUTTON COMMUNITY DANCE (SCD) deliveries - UPPER FLOOR

There are various customer entrances to the St Nicholas centre but any deliveries and contractors should use the basement entry, described here.

1. Take the **first right available after passing OMNIPLEX CINEMA** on St Nicholas Way. This right is only for deliveries and brings you to the security control barrier.
2. Buzz security at the barrier and tell them you are delivering to SCD.
3. Enter the basement and park at or as close to **bay 7** as possible - this is on the right side.
4. This brings you to **core 5** and this lift takes you to SCD's upper floor on **level 3**, just 5 metres to the left of the lift exit.

*There is very limited phone reception in the basement so if you need any info please call before heading down the driveway if needed.
