York High has had lots of highlight and skilled players play at the college level, it's hard to compare many to how dominant Jaheim White(aka Florida) was. Jaheim was a multiple time Sports Shooting Stars player of the game even though most of the time teams knew he was getting the ball no one could stop him on ground or through the air. During his freshman year Jaheim White was the backup running back to Tobee Stokes,

Entering his sophomore year Jaheim White was expected to be the starter. White rushed for 1,332 yards and 16 touchdowns during only a 6 games regular season because of covid. Player Name: Juelz Goff  
Sport: Football  
Position: RB  
High School/Class: Central York Class of 2024  
College: University of Pittsburgh  
Freshman

Juelz Goff was one of our most highlighted players during his high school career, Goff was a multiple time Sports Shooting Stars player of the game and the all time leading rusher in Central York history.

During Goff's freshman year he was mainly behind a pretty deep Central running back room. His sophomore year is when Goff was starting to get going, he mainly split time with fellow back Ajani Walker. Goff ran for 500 yards and scored 8 times that year which landed him a YAIAA All County Second Team. It officially solidified himself as Central's big time running back for the next few years.

During his junior year Goff really took off in a big way rushing for 24 touchdowns and 1,611 yards. He also caught 26 catches for 336 yards and 3 TD's along with 2 kick return scores. He officially had 29 total touchdowns in 2022. At the end of the year he landed as a YAIAA First Team Selection and An All State Selection. One of Goff's notable games came against York High where Central was down a QB and Goff pretty much put the offense on his back "quite literally" He ran the ball nearly every play on offense and even though York High knew he was getting the ball they couldn't stop him.

By the time his senior season rolled around Goff once again had a great year this time rushing for over 1,400 yards and 27 scores even while missing 2 games with an injury. During his game against Red Lion was when he broke the record for the most rushing yards by a Central York running back. He ended his career with his total yards being 3,761 yards rushing. Goff at the end of 2023 was named YAIAA Division 1 Player of the Year and another All State Selection and a Pennsylvania Football Writers All-Class 6A. Goff would commit to Pittsburgh to play college football where he is currently a freshman on the depth chart and has high potential according to some of the coaching staff.

Player Name: Greg Guidinger  
Sport: Men's Basketball  
Position: Guard  
High School/Class: Central York Class of 2024  
College: Loyola Maryland  
Freshman

Greg Guidinger is Central York's all time leading scorer and has been an impactful player throughout all of his four years of high school. He was also a multiple time Sports Shooting Stars player of the game and was a multiple time YAI AA Basketball player of the year.

During his freshman year Greg made an immediate impact very early. Despite it not being a great year for Central York, Guidinger managed 15 points per game while shooting 62% from 3. He was named a YAI AA First Team All County. During his sophomore year he was once again named a YAI AA First Team All County unfortunately he dealt with an injury that year which caused him to miss about half the season he did however manage to score 20.5 points per game.

During his junior season Greg was expected to take a big leadership role after Central's lone senior that year Ethan Dodson suffered a bad injury. He wouldn't do it alone however many of his teammates had his back and Central had a bounce back season. Greg would score 16 points per game and was named YAI AA Basketball Player of The Year. Greg would lead the Central York team to a York County Championship title and an appearance in the State Tournament with a young team with mostly sophomores on their team, he would also reach 1,000 points that year.

Entering his senior year Guidinger had lots of high expectations for his team. They were expecting to contend for a District and State title. That year he would break the all time record in Central York basketball points. Guidinger would also lead Central to top seed in District 3 6A and a County Championship once again. Guidinger would average around 20 points per game. Once again he was named YAI AA Player of the Year and an All State Selection. That Panther team would however make a surprise run and win the State Title that year. After the season Guidinger was voted Mr Pennsylvania Basketball. He would commit to Loyola Maryland basketball during his volleyball season. His recruiting process was one of the hardest due to D1 basketball having Covid eligibility, transfer portal, and limited scholarships. Greg hopefully should have a big time college career.
