Hi,

My name is Dale Moreau, founder of *UnderstandTheGodWhoSpeaks.Com*. We are a Christian video podcast ministry. New to the scene, we bring biblical study and topics weekly to hundreds of thousands of people. We interview biblical scholars such as Dr. Michael S. Heiser, Dr. John Goldingay, and Dr. Josh McDowell. We also give weekly Bible study lessons on a deeper level than normal.

Hundreds of podcast channels across the globe host our ministry. Some of these broadcast channels are *iTunes*, *Blurry*, *iHeart Radio*, and *Pandora*.

If you are open-minded, we are looking for corporate sponsors. Would you sponsor us with a monthly or yearly financial contribution?

If you are bit like most Christians, you are always looking for ways to support missionaries. Financial contributions pay our monthly expenses. The bulk of the money supports missionaries in countries around the world.

How would you feel if your financial support contributed to salvation for hundreds of people a month? Our ministry is designed for that. Of course, we would advertise for you on our website and on our weekly video podcast. Our audience is small but growing.

We applied for a 501c3 in December 2020. If approved by the IRS, all financial support is 100% tax deductible.

If you make a "yes-decision" to financially support our ministry, contact me. Or you may contact me for additional information. My contact information is below. Checks can be made to our ministry with the information below.

Make checks payable to UTGWS (Understand the God Who Speaks) and mail to:

Thank you.

May God's grace grant you fresh possibilities,

Dale Moreau
